2. **Minutes of the August 19, 2016 Board Meeting**
   
   Presentation By: Megan Patterson
   Manager of Pesticide Programs
   
   Action Needed: Amend and/or Approve

3. **Consideration of Enforcement Action Against Stone Wall Farms, Lincoln, Maine**

   In matters involving substantial threats to the environment or the public health or other extraordinary circumstances, or in which there is dispute over the material facts or law, the Board's staff shall bring the matter to the attention of the Board. This case involves the use of a pesticide in a careless, negligent or faulty manner and the use of a pesticide in a manner inconsistent with product labeling, which resulted in the death of two dogs.

   Presentation By: Raymond Connors
   Manager of Compliance
   
   Action Needed: Determine Appropriate Enforcement Response

4. **Consideration of Enforcement Action Against Joseph Fazekas, Harpswell, Maine**

   In matters involving substantial threats to the environment or the public health or other extraordinary circumstances, or in which there is dispute over the material facts or law, the Board's staff shall bring the matter to the attention of the Board. This case involves an unauthorized pesticide application.
5. **Consideration of Consent Agreement with Granite Bay Care, Inc., Portland, Maine**

The Board’s Enforcement Protocol authorizes staff to work with the Attorney General and negotiate consent agreements in advance on matters not involving substantial threats to the environment or public health. This procedure was designed for cases where there is no dispute of material facts or law, and the violator admits to the violation and acknowledges a willingness to pay a fine to resolve the matter. This case involves the indoor application of an unregistered pesticide by an unlicensed applicator to an area open to use by the public.

**Presentation By:** Raymond Connors  
Manager of Compliance

**Action Needed:** Determine appropriate enforcement response

6. **Overview of Historical Maine Lawn and Landscape Pesticide Use Estimates**

At the August 19, 2016 meeting, the Board requested an explanation of the methodology used by Board staff to estimate Maine lawn and landscape pesticide use trends. The analysis utilized annual sales and use reports submitted to the Board by pesticide dealers and commercial applicators. Gary Fish, the State Horticulturist, will provide an overview of past estimates.

**Presentation By:** Gary Fish  
State Horticulturist

**Action Needed:** None—Informational Only

7. **Review and Discussion of Board Homeowner Education Efforts**

At the August 19, 2016 meeting, the Board requested a presentation of an updated outreach plan at the following meeting and progress updates at all subsequent meetings. Over the last several months, the Board discussed various ideas and approaches for improving education of homeowners on the use of Integrated Pest Management and the proper use of pesticides. Staff will provide an update to the Board about activities planned for the winter and spring of 2016 and 2017.

**Presentation By:** Megan Patterson  
Manager of Pesticide Programs

**Action Needed:** Determine next steps

NOTES

- The Board Meeting Agenda and most supporting documents are posted one week before the meeting on the Board website at www.thinkfirstspraylast.org.
- Any person wishing to receive notices and agendas for meetings of the Board, Medical Advisory Committee, or Environmental Risk Advisory Committee must submit a request in writing to the Board’s office. Any person with technical expertise who would like to volunteer for service on either committee is invited to submit their resume for future consideration.
- On November 16, 2007, the Board adopted the following policy for submission and distribution of comments and information when conducting routine business (product registration, variances, enforcement actions, etc.):
  - For regular, non-rulemaking business, the Board will accept pesticide-related letters, reports, and articles. Reports and articles must be from peer-reviewed journals. E-mail, hard copy, or fax should be sent to the Board’s office or pesticides@maine.gov. In order for the Board to receive this information in time for distribution and consideration at its next meeting, all communications must be received by 8:00 AM, three days prior to the Board meeting date (e.g., if the meeting is on a Friday, the deadline would be Tuesday at 8:00 AM). Any information received after the deadline will be held over for the next meeting.
- During rulemaking, when proposing new or amending old regulations, the Board is subject to the requirements of the APA (Administrative Procedures Act), and comments must be taken according to the rules established by the Legislature.
