

Try the Maine Board of Pesticides Control Online Portal!

Why?

Instant, direct access to
your BPC account;

Pay online;

Fast response time;

View credits earned at your
convenience;

Keep information up-to-
date—address, phone
number, email, etc.

How?

1. You must have a valid email account. (If you check with BPC to ensure we have the correct email on file, this process will go smoother)
2. Go to www.maine.gov/bpc (detailed directions and pdfs to help)
3. At the bottom of the page select CREATE ACCOUNT
4. Select Create Account under the blue box
5. Enter all information.*
The Email/User ID must be your email. Select Create Account at the bottom of the screen
6. Select Return to Login
7. If your email matches the one on file, you will receive a verification code via email. If not, contact us
8. At the login screen, enter your email/ID and the password you created (**not the verification code**). Select Login
9. Copy and paste the verification code and select Verify my account
10. Select Return to Login Screen
11. Enter ID and password; select Login
12. Update password as required*
13. If you do not see your personal information, contact us.
14. If you are responsible for your company and employees, contact us for access to the company information

* Passwords must be at least 8 characters and include at least one letter, one number, and one special character
