Why?

- Instant, direct access to your BPC account;
- Pay online;
- Fast response time;
- View credits earned at your convenience;
- Keep information up-to-date—address, phone number, email, etc.

How?

1. You must have a valid email account.
2. Go [here](#) to create an account
3. Select Create Account under the blue box
4. Enter all information.* The Email/User ID must be your email. Select Create Account at the bottom of the screen
5. Select Return to Login
6. At the login screen, enter your email/ID and the password you created (**not the verification code**)

7. You will be required to create a new password. Enter your current password, then a new password* (If you see a red triangle, click on it to see why the system does not like your password)
8. Select Change Password

9. Copy and paste the verification code from the email and select Verify my account
10. Enter all the information. Fields with an asterisk are required. Select Submit
11. Select Return to Login Screen
12. Enter ID and password; select Login
13. If you do not see your personal information, contact us.
14. If you are responsible for your company and employees, contact us for access to the company information
