Part IV: Required Documentation; Criteria

Maine liquor law, Title 28-A, Section 453-D, subsection 1 provides the following requirements for an application for relocation to be approved by the Bureau:

- The licensee has held the license and operated as an agency liquor store for no less than one year at the currently licensed location, unless the relocation is directly related to retroactive zoning or unintentional destruction of the property that prevents rebuilding at the current location;
- The proposed location of the agency liquor store meets all applicable criteria for licensure for an agency liquor store; and
- The application includes proof of notification, in the form of a certified mail receipt, that all agency liquor stores in the same municipality as the licensee's proposed relocation site were notified of the proposed relocation.

Input by agency liquor store in the municipality of the relocation. The bureau has established a process by which an agency liquor store in the same municipality as the licensee's proposed relocation may declare support or objections to a proposed relocation. The rules established by the Bureau for this process can be viewed on its website at <https://www.maine.gov/dafs/bablo/liquor-lottery-rules-statutes> – see Chapter 4: Rules Governing the Process to Provide Input by Agency Liquor Stores in the same municipality of a Relocation Request under State Liquor Rules. To view information provided by you and other agency liquor stores in your municipality, see the Bureau's website at <https://www.maine.gov/dafs/bablo/liquor-lottery-rules-statutes/agency-liquor-store-relocation>.
