

"Pride is our secret ingredient"

June 20, 2017

Ms Miller:

My name is Robert Wentworth and I am the owner of the Rangeley IGA grocery store in Rangeley Maine. I have been in business and have had an agency license since January of 1994. We only recently started carrying "nips" in February of 2016. In the last year we sold 4,785 units. This year we are on pace to sell over 7,000 units. Over the last couple years, the bureau of alcoholic beverages has worked closely to try and increase both sales and profits for everyone. It has been a successful partnership. The nips are a fast growing part of my liquor department and I would hate to see them delisted. I would like to strongly urge you to not delist the nips. If you have any questions, please feel free to call me.

Thank You,

Bob Wentworth
