

The background of the cover is a photograph taken from a high vantage point, looking out through a large, semi-circular stone archway. The arch is constructed from light-colored stone blocks. Through the arch, a bright, sunlit landscape is visible. In the immediate foreground, a paved walkway leads towards a white picket fence. Beyond the fence, there is a lush green lawn, dense trees, and a glimpse of a building in the distance under a clear sky. The overall tone is bright and open.

Augusta State Facilities Master Plan
