## Participating Addendum Agreement

HIRE Award No. 22872

### PURPOSE

The purpose of this Agreement is to provide other States with the opportunity to participate in the NYS OGS HIRE contracts. The Participating Addendum identifies the interested parties who intend to order from each contract.

#### I. EFFECTIVE DATES OF THIS INTENT TO CONTRACT

This agreement shall remain in effect until the term of the contract, stated within the Contract Award Notification Document, has ended or has been terminated for cause.

#### II. SCOPE OF THE CONTRACT

The State of New York is authorized by agreement of the participants to act as the Lead State in this Contract to provide Authorized Users, (including other participating States) with a means of acquiring various types of Hazardous Incident Response Equipment as per, but not limited to, the Department of Homeland Security (DHS) Authorized Equipment List (AEL). Products provided within the contract must be within the general scope of a specific AEL category. Submissions for any equipment not specifically listed in the DHS Authorized Equipment List categories will be evaluated on a case by case basis as to eligibility for inclusion on the NYS HIRE contract. OGS reserves the right to exclude any item(s) deemed to be out of scope of the Contract.

Multiple Contracts were awarded to responsive and responsible Bidders who are able to meet the terms and conditions of the IFB, and whose product offerings met the scope of the IFB.

#### III. GOVERNING LAW

This procurement and the resulting agreement shall be governed by and construed in accordance with the laws of the state of New York (the state sponsoring and administering the procurement). The construction and effect of any Participating Addendum or order against the contract(s) shall be governed by and construed in accordance with the laws of the Participating Entity's State. Venue for any claim, dispute or action concerning an order placed against the contract(s) or the effect of a Participating Addendum shall be in the Purchasing Entity's State.

**POLITICAL SUBDIVISION PARTICIPATION:** Participation under this contract by political subdivisions (i.e., colleges, school districts, counties, cities, etc.) of the participating states shall be voluntarily determined by the political subdivision.
