Please refer to the current automotive distributor price list for Whelen's standard policy statement and refer to [www.whelen.com/warranty](http://www.whelen.com/warranty) for warranty statement.

"Made-To-Order Products" are defined as either models listed in this price sheet with a "†" symbol in front of the model field of each "made-to-order" model; or any model not listed in the current automotive price sheets. All such "†" noted models or those not listed in the current automotive price sheets are NCNR (special order, non-cancelable, non-returnable). Please allow sufficient time for production, as these models may require multiple machines for the processing of these special parts.
