Minnesota Multistate Contracting Alliance for Pharmacy (MMCAP)

This contract is between the State of Minnesota, acting through its Commissioner of Administration, on behalf of Minnesota Multistate Contracting Alliance for Pharmacy ("MMCAP") and **Global Protection Corp, 12 Channel St. Boston, MA 02210-2323**("Vendor").

Under Minnesota Statutes Section 16C.03, the Commissioner of Administration on behalf of MMCAP is empowered to engage such assistance as deemed necessary.

MMCAP is a group purchasing organization as defined in 42 U.S.C. § 1320a-7b(b)(3)(c) and maintains that it is structured to comply with the requirements of the Safe Harbor regulations regarding payments to group purchasing organizations set forth in 42 C.F.R. § 1001.952(j). MMCAP consists of government-run facilities and contracts for pharmaceuticals and health care products and services for members' use. Participation in MMCAP is limited to government authorized facilities such as state agencies, counties, cities, townships, and school districts.

The Vendor wishes to contract with MMCAP to provide **Condoms and Related Products**.

1. Term of Contract

1.1. Effective date: July 1, 2018, or the date MMCAP obtains all required signatures under Minnesota Statutes Section 16C.05, subdivision 2, whichever is later.

1.2. Expiration date: June 30, 2020 or as cancelled pursuant to Section 35. This Contract may be extended up to three (3) additional one (1) year periods, upon mutual agreement of the parties.

1.3. Survival of Terms. The following clauses survive the expiration or cancellation of this Contract: 20. Indemnification; 21. State Audits; 22. Government Data Practices and Intellectual Property; 23. Publicity and Endorsement; 24. Governing Law, Jurisdiction, and Venue; and 29. Data Disclosure

2. Contracted Products. The Vendor will supply the Products directly to MMCAP Members at the prices listed in Attachment A: Condoms and Related Products and Pricing, which is attached and incorporated into this Contract.

3. Product Availability

3.1. It is the responsibility of the Vendor to maintain sufficient inventory levels for all Products to meet the reasonably foreseeable needs of the MMCAP Members, based upon ordering history. MMCAP Members may be offered substitute Products at the same or lower price.

3.2. Vendor must provide written notice of all Product backorders to MMCAP within twenty four (24) hours of the knowledge of any backorder situation. Notices must include the reason(s) for and the expected duration of the backorder situation. Backorder notices must be sent to:

MMCAP.HPSContracts@state.mn.us.

3.3. Vendor must notify MMCAP immediately of any issues that would likely affect Product availability. Notices must be sent to: MMCAP.HPSContracts@state.mn.us

3.4. If the Vendor assigns, discontinues, or deletes a Product during the term of this Contract, Vendor must provide written notice to MMCAP at least sixty (60) days prior to the assignment, discontinuance, or deletion of Products as set forth in section 19. Assignment, Amendments, Waiver

and Contract Complete. If inventory is depleted prior to the end of the sixty (60) day period, Vendor agrees to pay Failure to Supply claims as set forth in Section 12.

4. FDA Approved. Vendor acknowledges that each Product has, if required by law, a United States Food and Drug Administration (FDA) 510(K) on file and accepts the liability with which such application confers. The Vendor guarantees to furnish no Product under this Contract that is adulterated or misbranded within the meaning of the Federal Food, Drug and Cosmetic Act, or any regulation of the FDA, or as required by each member state's applicable laws, rules, or regulations.

5. Shipping and Delivery. The State of Minnesota Shipping terms are FOB Destinations Freight Prepaid and Allowed. Expedited delivery such as overnight, rush, same day or second (2nd) day delivery shall be paid by the ordering customer. Freight charges apply to prevention and education materials that are not bulk condoms and lubricants, such as demonstrators, charts, and dispensers. 6. Returned Goods/Credits. The Vendor will supply a copy of its returned goods/credit policy to MMCAP upon request.

7. Value-Added Programs. MMCAP Members must be offered any programs normally offered to the Vendor's non-MMCAP customer base (e.g., continuing education courses, marketing information, etc.) at the same or lower cost as that offered to its non-MMCAP customer base.

8. Own Use. All Products acquired by MMCAP Members under this Contract are purchased for consumption in traditional governmental functions and not for the purpose of competing against private enterprise.

9. Product Dating. All Products supplied to MMCAP Members must have an expiration date of at least three (3) years from the date of manufacture and have a least a six (6) month shelf life from the date of acceptance of the Product by the MMCAP Member. The expiration date must be clearly marked on all Products provided. For Products that have an expiration dates less than six (6) months, MMCAP expects Vendor to provide such Products to MMCAP Members, as long as members are notified at the time of Products ordering, and agree to it. However, all Products supplied must still be useable on the date received by the MMCAP Member.

10. Direct Marketing, Advertising, and Offers with MMCAP Members. Any direct advertising, marketing, or direct offers referencing MMCAP Members must be approved by MMCAP. Materials should be sent to: MMCAP. HPSCContracts@state.mn.us. 11. Pricing. All Products listed in Attachment A, will be considered to be fixed during the term of this Contract including any of the subsequent three (3) - one (1) year extension terms granted by MMCAP. Prices may only be changed through amendment to the Contract once per term of the Contract including any of the three (3)-one (1) year extension periods granted by MMCAP. In the event of any price change, Vendor will advise MMCAP in writing as set forth in Section 19.

12. Failure to Supply Contracted Products. If Vendor fails to maintain sufficient inventory to meet the reasonably foreseeable needs of MMCAP Members for any Products, based on ordering history, and if no acceptable substitute Products can be offered, the ordering MMCAP Participating Facility may purchase

same or equivalent Product from an MMCAP Contracted Vendor or if the Product is unavailable the MMCAP Member may purchase an alternate equivalent Product on the open market (non-contracted vendor) for the period in which the Vendor is unable to provide the Products. The Vendor will be liable for any excess cost over the MMCAP contracted price and the alternate price of the product supplied by the non-contracted vendor.

12.1. Vendor must notify MMCAP in writing within twenty four (24) hours of Vendor's knowledge of its inability to supply any Products. Notices must be sent to:

- A copy of the invoice showing the purchase of the alternative product

12.3. Vendor must pay claims directly to the MMCAP Member within thirty (30) days of receipt of a claim.

12.4. If Vendor can prove that its inability to supply any Product was not due to its acts or omissions, then Vendor will not be liable for any such failure to supply claim.

12.5. Vendor will be responsible for payment of Failure to Supply claims during the term of the Contract unless the Vendor has provided MMCAP with at least sixty (60) calendar days' advanced written notice of the intent to remove the Product(s) from production and discontinue distribution in the U.S. market.

13. MMCAP Member Purchase Orders. MMCAP Members may use their own forms for Purchase Orders. To the extent that the terms of any form conflict with the terms of this Contract, the terms of this Contract supersede. Each MMCAP Member will be responsible for payment of Products provided by Vendor; and the MMCAP Group Purchasing Organization will have no liability for any unpaid invoice of any MMCAP Facility. Vendor agrees to invoice the MMCAP Member for all Products shipped or services provided. Vendor will accept Electronic Funds Transfer (EFT) for payment. At the time of new account set up, the MMCAP Member will initiate this process with its bank.

13.1. Funds available and authorized/non-appropriation. By submitting a Purchase Order the MMCAP Member represents it has sufficient funds currently available and authorized for expenditure to finance the costs of the Purchase Order.

13.2. Termination of Individual Purchase Orders. MMCAP Members may terminate individual Purchase Orders, in whole or in part, immediately upon notice to Vendor, or at such later date as the MMCAP Member may establish in such notice, upon the occurrence of any of the following events:

- The MMCAP Member fails to receive funding, or appropriations, limitations or other expenditure authority at levels sufficient to pay for the Products to be purchased under the Purchase Order;
- Federal or state laws, regulations or guidelines are modified or interpreted in such a way that either the purchase of Products under the Purchase Order is prohibited or the MMCAP Member is prohibited from paying for such Products from the planned funding source; or
- Vendor commits any material breach of this Contract or a Purchase Order. Upon receipt of written notice of termination, Vendor will stop performance under the Purchase Order as directed by the MMCAP Member.
- Termination of a standing Purchase Order does not extinguish or prejudice the MMCAP Member's right to enforce such Purchase Order with respect to Vendor's breach of any warranty or any defect in or default of Vendor's performance under such Purchase Order that has not been cured, including any right of the MMCAP Member to indemnification by Vendor or enforcement of a warranty. If a standing Purchase Order is terminated, the MMCAP Member must pay Vendor in accordance with the terms of this Contract for goods delivered and accepted by the MMCAP Member.

13.3. Jurisdiction and Venue of Purchase Orders. Upon completion of the Dispute Resolution process outlined in this Contract, and solely with the prior written consent of MMCAP and the State of Minnesota Attorney General's Office, the MMCAP Member may bring a claim, action, suit or proceeding against Vendor. The MMCAP Member's request to MMCAP to bring the claim, action, suit, or proceeding must state the initiating party's desired jurisdiction, venue and governing law. Upon completion of the Dispute Resolution process outlined in this Contract, the Vendor may bring a claim, action, suit or proceeding against MMCAP Member, in Vendor's sole discretion.

14. Invoices. Each MMCAP Member will be responsible for payment of Products provided by Vendor and the MMCAP Group Purchasing Organization will have no liability for any unpaid invoice of any MMCAP Member. Vendor agrees to invoice the MMCAP Member for all Products shipped.

15. Customer Service

15.1. Primary Account Representative. Vendor will assign a Primary Account Representative to MMCAP for this Contract and must provide a minimum of forty eight (48) hours advanced notice to MMCAP if that person is reassigned. The Primary Account Representative will be responsible for:

- Proper maintenance and management of the MMCAP Contract, including timely execution of all amendments;
- Timely response to all MMCAP inquiries;
- Performance of the business review.

In the event that the Primary Account Representative is unresponsive and does not meet MMCAP's needs, the Vendor will assign another Primary Account Representative upon MMCAP's request.

15.2. Business Reviews. Vendor will perform at least one business review with MMCAP staff per contract year. The review will be at a time and location that is mutually agreeable to Vendor and MMCAP and at a minimum address: a review of sales to members, pricing and contract terms, administrative fees, supply issues, customer issues, and any other necessary information.

15.3. Dispute Resolution. Vendor and MMCAP (the "Parties") will handle dispute resolution for unresolved Contract issues arising from this Contract using the following procedure:

15.3.1. Notification. The Parties must promptly notify each other of any known dispute and work in good faith to resolve such dispute within a reasonable period of time. And if necessary,

MMCAP and the Vendor will jointly develop a short briefing document that describes the issue(s), relevant impact, and positions of both Parties.

15.3.2. Escalation. If Parties are unable to resolve the issue in a timely manner, as specified above, either MMCAP or Vendor may escalate the resolution of the issue to a higher level of management. A meeting will be scheduled with MMCAP and the Vendor's MMCAP Primary Account Representative to review the briefing document and develop a proposed resolution and plan of action. The Vendor will have 30 calendar days to cure the issue.

15.3.3. Performance while Dispute is pending. Notwithstanding the existence of a dispute, the Vendor must continue without delay to carry out all of its responsibilities under the Contract that are not affected by the dispute. If the Vendor fails to continue without delay to perform its responsibilities under the Contract, in the accomplishment of all undisputed work, any additional costs incurred by MMCAP and/or MMCAP Members as a result of such failure to proceed will be borne by the Vendor.

16. MMCAP Members

16.1. Membership Listing. Vendor must allow new MMCAP Members joining MMCAP to be added to the MMCAP Membership List (password protected and published at www.mmcap.org) and to access Contract prices throughout the term of this Contract. As new MMCAP Members are added to MMCAP, Vendor will be given 7 days from the date of notification to implement Contract pricing. MMCAP will provide Vendor with monthly email notices announcing that a new MMCAP Membership List has been posted online.

16.2. Add/Delete. MMCAP reserves the right to add and delete MMCAP Members during the term of this Contract.

16.3. Class of Trade Restrictions. If Vendor maintains class of trade restrictions, eligibility criteria must be listed in this Section 16. If Vendor maintains class of trade restrictions which are not present or expressly defined in this Contract, MMCAP reserves the right to cancel this Contract and to reject any proposal submitted by Vendor in any subsequent solicitations.

16.4. Eligibility Lists. If Vendor maintains class of trade restrictions, monthly electronic eligibility lists must be sent to MMCAP at the following email address: MMCAP.HPSCContracts@state.mn.us

16.5. Certification. Certification, eligibility, or GPO declaration forms maintained by Vendor must be attached and incorporated into this Contract, if applicable.

16.6. Removing Members from Contract Pricing. Vendor must notify MMCAP at least thirty (30) days prior to removing any MMCAP Members from Contract pricing. Notices must be sent to: MMCAP.HPSCContracts@state.mn.us. If MMCAP does not receive notification that an MMCAP Member has been removed from Contract pricing, Vendor will honor pricing until thirty (30) days after such notice is provided to MMCAP.

16.7 Member-required Participation Agreement. In order to access this Contract some MMCAP Members require jurisdiction-specific additional paperwork or contract language. Vendor must not sign any MMCAP Member documents without prior MMCAP review and approval. If needed, MMCAP will issue a Member-requested Participation Agreement (MPA) that will be amended into to this Contract. No other mechanism of modifying or "attaching to" MMCAP contracts is authorized.
