By signing this document, I certify to the best of my knowledge and belief that the aforementioned organization, its principals, and any subcontractors named in this proposal:

- a. Are not presently debarred, suspended, proposed for debarment, and declared ineligible or voluntarily excluded from bidding or working on contracts issued by any governmental agency.

 - i. fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a federal, state or local government transaction or contract.
 - ii. violating Federal or State antitrust statutes or committing embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

PRODUCTS

- 1.1 **Product Categories.** The four to eight (4-8) digit United Nations Standard Products and Services Code (**UNSPSC**) for a Product will establish the default classifications. The parties may establish alternative classifications or provide clarifications in **Attachment B**.
- 1.2 **Core.** These are Products that are specifically identified on a "line-item" basis on **Attachment A-1**.
 - A. **Package Size:** All package size offerings for that Product will be considered part of the Core list.
 - B. **"Annual Refresh":** Annually, at a minimum, it is expected that the top fifty percent (50%) (in both unit and dollar volume) of collective Core and Non-Core Products from the previous year will be classified as Core for the applicable upcoming year. MMCAP Infuse will provide Vendor a proposed Core list sixty (60) days in advance. The Vendor may review and appeal items on the list, however the Vendor must provide (i) written justification and supporting evidence; and (ii) alternative product to replace the item on the Core list. MMCAP Infuse will then review and consider the appeal. A final Core list must be approved by both parties within the sixty (60) days, otherwise the previous year's Core list will automatically renew for another year or until the parties agree to an updated Core list.
 - i. **Historical Sale History.** If the Vendor has a historical sale history with MMCAP Infuse and/or the Membership, that will be used to create the initial Core list.
 - C. **Product Additions/Removals:** The Vendor may add Products to the Core list at any time with three (3) days' written notice to MMCAP Infuse, however, removals can only occur on an annual basis. Once a change has occurred, the Vendor must wait six (6) months from each change date to make further adjustments.

 - E. **Vendor Exclusive Brands:** [Intentionally Omitted]
- 1.3 **Non-Core.** These are all other Products in the Vendor's catalog sold to the Membership that are not prohibited by **Paragraph 1.5**. These offerings will receive a discount off the disclosed catalog price at the time of the Member's purchase in accordance with **Attachment A-2**. The Vendor may fluctuate the Pricing and Product offerings as displayed in the Vendor's catalog without notice to MMCAP Infuse.
 - A. **MMCAP Infuse Products:** The Vendor may compete with the MMCAP Infuse Products by offering competing items under Non-Core but must still make MMCAP Infuse Products visible

A list of pre-approved Diabetic Supplies can be found on **Attachment A-5**. However, upon mutual consent with Vendor, MMCAP Infuse may classify a Product as a MMCAP Infuse Product. The Vendor may be required to remove Product from Non-Core or the catalog entirely if the Vendor cannot follow the requirements for MMCAP Infuse Products or the Vendor withholds consent.
- E. Nutritionals: With MMCAP Infuse's prior review and approval of each Product, the Vendor may sell Nutritionals to the Membership under this category. A list of pre-approved Nutritionals can be found on **Attachment A-5**. However, upon mutual consent with vendor MMCAP Infuse may classify a Product as a MMCAP Infuse Product. The Vendor may be required to remove Product from Non-Core or the catalog entirely if the Vendor cannot follow the requirements for MMCAP Infuse Products or the Vendor withholds consent.
- F. Prohibited Products (see Paragraph 1.5): Unless stated otherwise, the Vendor cannot sell any Prohibited Products under Non-Core offerings.

1.4 **MMCAP Infuse Products**. MMCAP Infuse and/or MMCAP Infuse Manufacturer will provide forty-five (45) days' notice of a Product listing (and applicable MMCAP Infuse Base Cost) to the Vendor. The Vendor must be listed as an Authorized Distributor in the MMCAP Infuse Manufacturer agreement in order to have Products added to the MMCAP Infuse Product listing to ensure the Vendor will be able to honor chargebacks. The Vendor will be required to load the Products in the Ordering System within five (5) business days of the notice. The Vendor will have thirty (30) days to obtain the inventory before Paragraph 4.1 will be applied. The Vendor will be required to sufficiently carry and stock MMCAP Infuse Products unless there are fewer than three (3) units sold per month or Membership demand does not meet the minimum order requirements a MMCAP Infuse Manufacturer places on the Vendor. Vendor will be required to make all MMCAP Infuse Products searchable within the Vendor's online Ordering System; however, Paragraph 4.1 will not apply. If the Vendor cannot sell the MMCAP Infuse Products, the Vendor must: (A) provide written justification to MMCAP Infuse; and (B) obtain the written approval of MMCAP Infuse.

- A. Eligibility Requirements: If a MMCAP Infuse Manufacturer requires a form to be signed by a Member for certain specialty pricing eligibility based on the MMCAP Infuse Manufacturer guidelines, MMCAP Infuse will be responsible for obtaining the document from the Member and submitting it to the MMCAP Infuse Manufacturer. In the event Vendor receives such document from a Member, it will submit to MMCAP_infuse.hpscontracts@state.mn.us before providing the applicable specialty pricing to the Member.
- B. MMCAP Infuse Manufacturer Special Pricing: Vendor will ensure only eligible Members see MMCAP Infuse Manufacturer driven special pricing in the Vendor's ordering platform and only eligible Members will have access to that special pricing. It is the responsibility for the Vendor to bill Members at the correct tier by working with the MMCAP Infuse Manufacturer.
- C. Changes: MMCAP Infuse reserves the right to modify the MMCAP Infuse Products at any time during the Agreement Term and the Vendor will have five (5) business days to adjust their catalog.
- D. Monitoring: Upon request, the Vendor will provide an inventory forecasting report to MMCAP Infuse.
- E. Chargeback Denials: Within five (5) business days of notice from supplier, the Vendor will provide notice to MMCAP Infuse of a chargeback denial from an MMCAP Infuse Manufacturer. Upon the guidance and request from MMCAP Infuse, the Vendor agrees to resubmit chargebacks.
- F. Contract File: Vendor will provide an accurate monthly file of the MMCAP Infuse Products loaded before the first day of the month. The file may be zipped and should be submitted to MMCAP_infuse.hpscontracts@state.mn.us.

1.5 **Prohibitions**. Unless otherwise stated under this Agreement (**Attachment A-2** through **Attachment A-5**) or if MMCAP Infuse provides written approval by an amendment to this Agreement, the Vendor will be prohibited from selling the following Product categories to the Membership (**Prohibited Products**) pursuant to this Agreement. For the sake of clarity, Vendor may sell these Product categories to customers that are Members of MMCAP Infuse so long as this Agreement or other MMCAP Infuse contracts are not accessed in such sale. This Agreement and the associated solicitation cannot be used as procurement vehicle for those sales. MMCAP Infuse may amend this list with sixty (60) days' notice; the Vendor will be required to remove affected Products from the Agreement and catalog offerings. The following categories are prohibited under this Agreement:

Additionally, the Vendor will notify Members of their ability to set up formularies or order lists within McKesson Supply Manager, so they can prioritize MMCAP Infuse and Core Products in the Ordering System. Upon six (6) months following the Effective Date of this Agreement, on a quarterly basis or as requested by MMCAP Infuse, the Vendor will provide contract compliance reports to monitor purchases of Non-Core products compared to their MMCAP Infuse and Core Products equivalents in the Product category. Unless the Vendor can show evidence that there is a lack of availability, at no point should the Non-Core Products exceed forty percent (40%) of a purchase makeup for Product category for any three (3) month period when there are MMCAP Infuse Product and Core Product equivalents. The compliance formula is found on **Attachment E** and data received from the Vendor via **Table 1, Sales Data Report** will be used to review compliance.

- A. Bulk Order: For purchases that fall under Paragraph 3.9, the expiration date of the Products must have a shelf life of at least five (5) years remaining. If a Product does not have an expiration date, the lot number cannot be older than one (1) year from the date of production/shipment.

In the event that the shelf life remaining prior to its expiration date at the time of delivery is unacceptable to the Member, Member has five (5) business days from date of receipt to contact Vendor to mutually agree on a resolution.

ARTICLE II PRICING AND CHANGES

- 2.1 **Notices**. All notices under this Article must be sent to: MMCAP_infuse.hpscontracts@state.mn.us.
- 2.2 **Core Pricing Structure**. Pricing for Core Products are listed on **Attachment A**. In the event Vendor desires to change pricing within six (6) months of the previous pricing change, MMCAP will review such request and will have the discretion to reject such request.
- A. Required Format: All changes must be done in MMCAP Infuse's required format; an example can be found on **Attachment E, Table 4**.
- B. Package Variations: Per Paragraph 1.2(A), all package sizes for applicable manufacturer and/or Vendor part number will be under the terms of Core Pricing. The Vendor can sell the package sizes at different Pricing, however "per item" basis must remain consistent.
- C. Price Reductions: After the Effective Date, Vendor may submit to MMCAP Infuse price reductions but must provide at least three (3) days' notice to MMCAP Infuse before they can take effect.
- D. Annual Refresh: During the Annual Refresh (see Paragraph 1.2(B)), Vendor may propose price increases for products remaining on Core or being added to Core. The Vendor must provide at least ninety (90) days' written notice for any change to take effect.
- E. Price Increases: Outside the Annual Refresh, price increases will only be accepted (i) with at least sixty (60) days' written notice; (ii) if a force majeure condition can be established; and (iii) with approval by MMCAP Infuse. Except as provided for in this Agreement, no fee, percentage, or other cost may be added to the Products purchased under this Agreement unless it has been approved in writing by MMCAP Infuse. In the event Vendor does not notify MMCAP Infuse of an increase, Vendor must honor chargebacks for the most recent previous Price until such time as MMCAP Infuse receives notice of and approves the increase.

<https://members.infuse.mn.gov/contract-documents>

- 2.3 **Non-Core Pricing.** Pricing for Non-Core Products will be fluid at Vendor's discretion. However, all Members (at no cost to Member) will be able to view the current Non-Core prices in Vendor's electronic catalog. If the Vendor is unable to display the full list price in the Vendor's electronic catalog, the Vendor will provide the Member with a non-ordering full list price account upon request for auditing purposes.
- 2.4 **MMCAP Infuse Pricing.** MMCAP Infuse has (or will provide) Vendor a list of MMCAP Infuse Products and MMCAP Infuse Base Cost within forty-five (45) days of the effective date of the agreement between MMCAP Infuse and the applicable MMCAP Infuse Manufacturer. MMCAP Infuse and the Vendor have agreed to a Mark-Up, which will be added to the MMCAP Infuse Base Cost for each applicable Product; the sum of the MMCAP Infuse Base Cost and Mark-Up will be the Price the Vendor discloses to the Member.
- A. **Price Loading.** Vendor will be responsible for processing the MMCAP Infuse Products and MMCAP Infuse Base Cost sent to them by a manufacturer or MMCAP Infuse itself by the earlier of either the effective date of the MMCAP Infuse Base Cost or within five (5) business days of receipt. If the Vendor decides to offer a different case/package size than what MMCAP Infuse negotiated with the manufacturer, the cost basis must match the MMCAP Infuse Base Cost on a "per-item" basis.
- i. **Manufacturer Verification (if applicable).** If a manufacturer requires verification or provides data that is inconsistent with MMCAP Infuse, the Vendor will notify MMCAP Infuse in writing within twenty-four (24) hours of the impasse occurring.
 - ii. **Notice.** If a Vendor receives a notice of a change from a MMCAP Infuse Manufacturer but did not receive the same notice from MMCAP Infuse, the Vendor will forward the information to MMCAP Infuse within three (3) days.
 - iii. **Disagreements.** The Vendor agrees to provide credits/rebills at no charge to correct pricing in the event that MMCAP Infuse and the MMCAP Infuse Manufacturers have a disagreement regarding a Product or MMCAP Infuse Base Cost.
 - iv. **Failure to Negotiate.** The Vendor must notify MMCAP Infuse immediately of any issues with MMCAP Infuse Manufacturers that could affect the Vendor's ability to stock, sell, or perform chargebacks on these Products. Notices must be sent to: mmcap_infuse.hpscontracts@state.mn.us.
- B. **Auditing.** Vendor will perform audits, matching MMCAP Infuse Base Cost information provided by MMCAP Infuse against the MMCAP Infuse Base Cost provided by MMCAP Infuse Manufacturers. If Vendor discovers discrepancies, the Vendor will notify the MMCAP Infuse Manufacturer and MMCAP Infuse of the discrepancy in order to reach resolution. Upon resolution, Vendor will correct the errors, will create a sales history report, and enter credit(s)/rebill(s) for each Member connected to the contracts within forty-five (45) days. Vendor is expected to continue to provide the process, which was the outcome of the collaboration between the Vendor and MMCAP Infuse, to deliver comprehensive and efficient means to provide continuous MMCAP Infuse Base Cost audit data.
- 2.5 **Services.** Intentionally left blank.
- 2.6 **Competitive Pricing.** If MMCAP Infuse is made aware and determines during the Agreement Term that a Member is purchasing Core Products at better pricing than offered in this Agreement, Vendor and MMCAP Infuse shall meet to discuss the alleged pricing situation and determine whether adjustments will be made to fees, prices and/or terms available to Members under this Agreement and shall amend the Agreement if applicable. Notwithstanding the foregoing, Vendor is not prohibited from responding to a request for proposals issued by a Member that may include Products and Services covered by this Agreement.
- 2.7 **Member Fees.** In the event a Member requires a fee, assessment, and/or additional costs in addition to the Pricing; the fee, assessment, and/or additional costs must be added on top of the Pricing and/or an adjustment to the discounts must be made so Vendor does not absorb the fee. Vendor must not pay a Member levied fee without first collecting the fee through increased Pricing for the applicable Member. The fees will be set aside and paid to the Member as detailed in a form provided and approved by MMCAP Infuse.

ARTICLE III

ORDERS, DELIVERY, AND PAYMENT; SELECTION OF SERVICES

- 3.1 **Orders.** As a condition for purchasing under this Agreement, purchasers must be Members on the Membership Roster. Vendor may use their own Ordering Systems and Purchase Order Forms. Except for Services and Bulk Orders (see *Paragraph 3.9*), to the extent that the terms of any Ordering System(s) and Purchase Order conflict with the terms of this Agreement, the terms of this Agreement supersede. Each Member will be responsible for payment for Contracted Items to the Vendor and MMCAP Infuse will not be liable for any unpaid invoice of any Member. Vendor agrees to invoice the Members as established in this Agreement.
- A. The use of obtaining a Contracted Item from the Ordering System or Purchase Order constitutes a binding contract. All Products furnished will be subject to inspection and acceptance by the ordering entity after delivery. 3.3 **Termination of Individual Orders**. Members may terminate, immediately or as identified by Member, individual orders (other than purchase orders for special orders, where the Vendor has obtained customized products from a supplier, Emergency Orders, Drop Shipments, or Bulk Orders) in whole or in part, upon written notice to Vendor upon the occurrence of any of the following events:

- A. The Member fails to receive funding, or appropriations, limitations or other expenditure authority at levels sufficient to pay for Contracted Items to be purchased;

- C. Vendor commits any material breach of this Agreement.

Upon receipt of written notice of termination, Vendor will stop performance under the Agreement as directed by the Member. If a standing order is terminated, the Member must pay Vendor in accordance with the terms of this Agreement for goods delivered and accepted by the Member.

3.4 **Jurisdiction and Venue of Orders**. As it applies to purchases made by a Member, nothing in the Agreement will be construed to deprive the Member of its sovereign immunity, or of any legal requirements, prohibitions, protections, exclusions, or limitations of liability applying to this Agreement or afforded by the Member's law.

3.5 **Shipment for Products**. Vendor must distribute and deliver the Products covered under this Agreement to all Members, including the states of Alaska and Hawaii. If the Member account is in good standing, the Vendor will at no time, refuse to deliver to any Member without the prior written approval by the Member and MMCAP Infuse. Delivery for Products under this Agreement shall be FOB Destination unless otherwise agreed to by Vendor and Member in a Purchase Order. For orders for Products not regularly stocked by Vendor's local servicing distribution center, Vendor may add to the invoice a handling charge determined by Vendor and disclosed to Member prior to or at the time of order. For orders in Hawaii or Alaska that are less than \$300, Vendor may add to the invoice a handling charge determined by Vendor and disclosed to Member prior to or at the time of order. - D. **Lost Products**: All lost Products will be reported to Vendor's customer service department. Vendor will issue credit within ten (10) days of notification of lost Product; alternatively, re-shipment of missing Product will occur immediately after notification.
- E. **Special Conditions for Products**: If applicable to the Products offered under this Agreement, Vendor will maintain appropriate temperatures and environmental conditions in accordance with manufacturer requirements for delivery of the Products to the Members. All refrigerated Products will be shipped in returnable coolers or disposable coolers with appropriate packaging to maintain the required temperature range. Products requiring refrigeration will be clearly marked as such. Temperature monitors will be used if they are required by the manufacturer. If Member refuses Products that have been inadequately packaged, the Member will notify Vendor's customer service department to log the complaint. Any costs associated with the return of Product due to improper packaging or transport, will be at the expense of the Vendor. For Products that require special temperature and/or environmental conditions (e.g., cold chain and hazmat), Vendor may add to the invoice a handling charge determined by Vendor and disclosed to Member prior to or at the time of order.

3.6 Patient Home Delivery.

- A. Vendor may, in its sole discretion, offer delivery directly to an end-user patient/consumer's place of residence made at the direction of a Member ("**Patient Home Delivery**"). In addition to Patient Home Delivery shipping and handling fees, Vendor may charge Members additional surcharges, including, but not limited to, signature fees, address or billing information correction fees, delivery area surcharges, and other accessorial fees. All fees that will apply will be disclosed to the Member and MMCAP Infuse before the Patient Home Delivery is implemented for the Member under this Agreement. For reporting purposes to MMCAP Infuse, the shipping address will be reported as the Member's address, not the patients' address(es). Ownership of the Products will transfer to Member at the time Member places the Product order with Vendor but risk of loss will remain with Vendor until the Products reach their designated destination.
- B. If Vendor is providing third-party logistics provider services to a Member or otherwise providing direct patient/consumer shipment services for Member, Member represents and warrants that (i) it has all required permits, licenses and prescriptions/physician orders necessary to dispense or administer Products to its patients, including, without limitation, all required licenses to dispense or administer the Products into the states in which the Member dispenses, administers or sells Products and (ii) it has verified that all recipients of the Products are appropriately registered or otherwise authorized to receive delivery of the Products. Accordingly, the Member and Vendor will enter into a Business Associate Agreement, which Business Associate Agreement shall exclusively govern the terms and conditions of those parties with respect to individually identifiable health information.

3.7 Emergency Orders. Vendor may agree to offer and accept emergency orders under this Agreement. An emergency order is defined as one necessary for immediate and specific patient care which falls outside the normal order and delivery parameters. Using air and ground options, Vendor will exhaust all commercially reasonable resources in delivering emergency Product in the most timely and efficient method. Vendor will make a good faith effort to make emergency deliveries within four (4) hours following receipt of the order; emergency deliveries to Alaska and Hawaii will likely take longer.

The Vendor should but is not required to disclose the costs before processing this type of order. However, after shipped, the Vendor will provide documentation to the Member, verifying the actual shipping costs.
- C. **Delivery**: Order must be processed and shipped the same day. If the Product is not delivered to the Member within twenty-four (24) hours, the Member will not have to reimburse the Vendor for shipping; Holidays do not exempt this time requirement. If the delay is due to the carrier, the Vendor will seek remedies from the carrier, not the Member.

3.8 Drop Shipment. The Vendor will act as a conduit to expedite and simplify the ordering and payment of drop shipped Products directly from a manufacturer. All estimated fees associated with drop shipments will be provided at time of order.

3.9 Bulk Orders/Price Inquiries. The Member must reach out to the Vendor to discuss parameters and terms.

The link to Vendor's standard Primary Designation Form is set forth on **Attachment D**.
- 6.2 **Membership Eligibility Verification.** MMCAP Infuse will provide Vendor online access to a complete listing of the Membership ("**Membership Roster**") which the Vendor is expected to actively utilize to verify Member status. - 12.3 **Assignment.** Neither party may assign nor transfer any rights or obligations under this Agreement without the prior consent of MMCAP Infuse and a fully executed assignment agreement. MMCAP Infuse may assign to an affiliate government agency if order to by a Minnesota branch of government.
- 12.4 **Amendments.** Any amendment to this Agreement must be in writing and will not be effective until it has been executed and approved by the same parties who executed and approved this Agreement, or their successors in office.
- 12.5 **Order of Precedence.** Vendor agrees that applicable federal and state law will supersede this Agreement, however this Agreement will take precedence over all other the terms, covenants, conditions, commitments, stipulations, Order System, Purchase Orders, website use of terms, and other legal documents MMCAP Infuse, Vendor, and/or Member may use in the performance of this Agreement. If the provisions of this Agreement are inconsistent, or are modified, diminished, or derogated with any of the terms and provisions of the aforementioned legal documents in this Paragraph, this Agreement will supersede and govern. - 12.6 **Counterparts and Electronic Signature.** The Agreement cannot be executed in counterparts and will not be enforceable until MMCAP Infuse has obtained all required signatures. MMCAP Infuse and Vendor expressly agree to conduct transactions under the Agreement by electronic means (including, without limitation, with respect to execution, delivery, storage, and transfer of this Agreement by electronic means and to the enforceability of this electronic agreement). MMCAP Infuse will be deemed to have control of the authoritative copy for the electronic transferable record, in each case regardless of whether applicable law recognizes electronic transferable records or control of electronic transferable records and regardless of whether this Agreement is an electronic record or transferable record.
- 12.7 **Severability.** If any provision of the Agreement, including items incorporated by reference, is found to be illegal, unenforceable, or void, then both MMCAP Infuse and the Vendor will be relieved of all obligations arising under such provisions. If the remainder of the Agreement is capable of performance, it will not be affected by such declaration or finding and will be fully performed.
- 12.8 **Waiver.** If either party fails to enforce any provision of this Agreement, that failure does not waive the provision or its right to enforce it.
- 12.9 **Governing Law, Jurisdiction, and Venue.** Minnesota law, without regard to its choice-of-law provisions, governs this Agreement. 1. **Government Data Practices.** Parties to this Agreement must comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13 (Data Practices Act), as it applies to all data created, collected, received, stored, used, maintained, or disseminated by the Vendor under this Agreement. The civil remedies of Minn. Stat. § 13.08 apply to the release of the data governed by the Minnesota Government Practices Act, Minn. Stat. Ch. 13, by either the Vendor or MMCAP Infuse.
 - A. **Notification.** If the Vendor receives a request to release the data referred to in statute, the Vendor must immediately notify and consult with MMCAP Infuse as to how the Vendor should respond to the request.
 - B. **Indemnification.** Vendor agrees to indemnify, save, and hold Minnesota, its agent and employees, harmless from all claims arising out of, resulting from, or in any manner attributable to the Vendor's violation of any provision of the Data Practices Act.
 - C. **Release of MMCAP Infuse Data.** Except as may be required by Data Practices Act, Vendor will not release to any third party any MMCAP Infuse customer data, sales transaction data, DEA/HIN information, pricing, EDI transaction data, reverse distribution data, or payment data.
2. **Data Disclosure.** Under Minn. Stat. § 270C.65, subd. 3 and other applicable law, the Vendor consents to disclosure of its social security number, federal employer tax identification number, and Minnesota tax identification number, already provided to the MMCAP Infuse, to federal and state agencies, and state personnel involved in the payment of state obligations. These identification numbers may be used in the enforcement of federal and state laws which could result in action requiring the Vendor to file state tax returns, pay delinquent state tax liabilities, if any, or pay other state liabilities.
3. **Non-discrimination.** The Vendor will comply with the provisions of Minn. Stat. § 181.59.
4. **Affirmative Action Requirements.**
 - A. **Covered contracts and vendors.** If the Agreement exceeds \$100,000 and the Vendor employed more than forty (40) full-time employees on a single working day during the previous twelve (12) months in Minnesota or in the state where it has its principal place of business, then the Vendor must comply with the requirements of Minn. Stat. § 363A.36 and Minn. R. 5000.3400-5000.3600.
 - B. Minn. R. 5000.3400-5000.3600.
 - i. **General.** Minn. R. 5000.3400-5000.3600 implements Minn. Stat. § 363A.36. These rules include, but are not limited to, criteria for contents, approval, and implementation of affirmative action plans; procedures for issuing certificates of compliance and criteria for determining a Vendor's compliance status; procedures for addressing deficiencies, sanctions, and notice and hearing; annual compliance reports; procedures for compliance review; and contract consequences for non-compliance. The specific criteria for approval or rejection of an affirmative action plan are contained in various provisions of Minn. R. 5000.3400-5000.3600 including, but not limited to, Minn. R. 5000.3420-5000.3500 and 5000.3552-5000.3559.
 - ii. **Disabled Workers.** The Vendor must comply with the following affirmative action requirements for disabled workers.
 - a. The Vendor must not discriminate against any employee or applicant for employment because of physical or mental disability in regard to any position for which the employee or applicant for employment is qualified. The Vendor agrees to take affirmative action to employ, advance in employment, and otherwise treat qualified disabled persons without discrimination based upon their physical or mental disability in all employment practices such as the following: employment, upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.
 - b. The Vendor agrees to comply with the rules and relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.
 - c. In the event of the Vendor's noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with Minn. Stat. § 363A.36, and the rules and relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.
 - d. The Vendor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Commissioner. Such notices must state the Vendor's obligation under the law to take affirmative action to employ and advance in employment qualified disabled employees and applicants for employment, and the rights of applicants and employees.
 - e. The Vendor must notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the Vendor is bound by the terms of Minn. Stat. § 363A.36, of the Minnesota Human Rights Act and is committed to take affirmative action to employ and advance in employment physically and mentally disabled persons.

- iii. **Consequences.** The consequences for the Vendor's failure to implement its affirmative action plan or make a good faith effort to do so include, but are not limited to, suspension or revocation of a certificate of compliance by the Commissioner, refusal by the Commissioner to approve subsequent plans, and termination of all or part of this Agreement by the Commissioner or Minnesota.
 - iv. **Certification.** The Vendor hereby certifies that it is in compliance with the requirements of Minn. Stat. § 363A.36 and Minn. R. 5000.3400-5000.3600 and is aware of the consequences for noncompliance.
5. **E-Verify certification (In accordance with Minn. Stat. § 16C.075).** For services valued in excess of \$50,000, Vendor certifies that as of the date of services performed on behalf of Minnesota, Vendor and all its subcontractors will have implemented or be in the process of implementing the federal E-Verify Program for all newly hired employees in the United States who will perform work on behalf of Minnesota. Vendor is responsible for collecting all subcontractor certifications and may do so utilizing the E-Verify Subcontractor Certification Form available at <http://www.mmd.admin.state.mn.us/doc/EVerifySubCertForm.doc>. All subcontractor certifications must be kept on file with Vendor and made available to Minnesota upon request.
 6. **Certification of Nondiscrimination (In accordance with Minn. Stat. § 16C.053).** The following term applies to any contract for which the value, including all extensions, is \$50,000 or more: Vendor certifies it does not engage in and has no present plans to engage in discrimination against Israel, or against persons or entities doing business in Israel, when making decisions related to the operation of the Vendor's business. For purposes of this section, "discrimination" includes but is not limited to engaging in refusals to deal, terminating business activities, or other actions that are intended to limit commercial relations with Israel, or persons or entities doing business in Israel, when such actions are taken in a manner that in any way discriminates on the basis of nationality or national origin and is not based on a valid business reason.
 7. **Contingency Fees Prohibited.** Pursuant to Minn. Statute § 10A.06, no person may act as or employ a lobbyist for compensation that is dependent upon the result or outcome of any legislation or administrative action.
 8. **Diverse Spend Reporting.** If the total value of this Agreement may exceed \$500,000 in Minnesota, including all extension options, the Vendor must track and report, on a quarterly basis, the amount paid to diverse businesses both: (A) directly to subcontractors performing under the Agreement, and (B) indirectly to diverse businesses that provide supplies/services to your company (in proportion to the revenue from this Agreement compared to your company's overall revenue). When this applies, you will be set up in a free portal to help report the Tier 2 diverse spend, and the requirement continues as long as the Agreement is in effect.
 9. **Payment to Subcontractors.** To the extent applicable, the Vendor must pay all subcontractors in accordance with Minn. Stat. § 16A.1245. Vendor does not consider national third party carriers subcontractors for the purposes of this Agreement.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Carahsoft OBO Maine Office of Information Technology (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
