 - D. In cases where hourly rates of contracted resources are concerned, invoices must contain a copy or copies of time sheets associated with that invoice. Time sheets will need to be reviewed and approved by the State's contract administrator.
2. **BENEFITS AND DEDUCTIONS**. If the Provider is an individual, the Provider understands and agrees that they are an independent contractor for whom no Federal or State Income Tax will be deducted by the Department, and for whom no retirement benefits, survivor benefit insurance, group life insurance, vacation and sick leave, and similar benefits available to State employees will accrue. The Provider further understands that annual information returns, as required by the Internal Revenue Code or State of Maine Income Tax Law, will be filed by the State Controller with the Internal Revenue Service and the State of Maine Bureau of Revenue Services, copies of which will be furnished to the Provider for their Income Tax records.
3. **INDEPENDENT CAPACITY**. In the performance of this Contract, the parties hereto agree that the Provider, and any agents and employees of the Provider, shall act in the capacity of an independent contractor and not as officers or employees or agents of the State.
4. **DEPARTMENT'S REPRESENTATIVE**. The Contract Administrator shall be the Department's representative during the period of this Contract. The Contract Administrator has authority to curtail services if necessary to ensure proper execution. They shall certify to the Department when payments under the Contract are due and the amounts to be paid. The Provider is solely responsible for the performance of work under this Contract. The approval of the Department for the Provider to subcontract for work under this Contract shall not relieve the Provider in any way of its responsibility for performance of the work.

All Subcontractors shall be bound by the terms and conditions set forth in this Contract. The Provider shall give the State immediate notice in writing of any legal action or suit filed, and prompt notice of any claim made against the Provider by any Subcontractor, which may result in litigation related in any way to this Contract, or which may affect the performance of duties under this Contract.

7. **SUBLETTING, ASSIGNMENT OR TRANSFER**. The Provider shall not sublet, sell, transfer, assign or otherwise dispose of this Contract or any portion thereof, or of its right, title or interest therein, without the written request and written approval from the Department. Such approval shall not in any case relieve the Provider of its responsibility for performance of work or liability under this Contract.

8. **EQUAL EMPLOYMENT OPPORTUNITY**. During the performance of this Contract, the Provider certifies as follows:

- A. The Provider shall not discriminate against any employee or applicant for employment relating to this Contract because of race, color, religious creed, sex, national origin, familial status, ancestry, age, physical or mental disability, sexual orientation, or gender identity, unless related to a bona fide occupational qualification.

Such action shall include but not be limited to the following: employment, upgrading, demotions, or transfers; recruitment or recruitment advertising; layoffs or terminations; rates of pay or other forms of compensation; and selection for training including apprenticeship. The Provider agrees to post in conspicuous places available to employees and applicants for employment notices setting forth the provisions of this nondiscrimination clause.

- B. The Provider shall, in all solicitations or advertising for employees placed by or on behalf of the Provider relating to this Contract, state that all qualified applicants shall receive consideration for employment without regard to race, color, religious creed, sex, national origin, familial status, ancestry, age, physical or mental disability, sexual orientation, or gender identity.
- C. The Provider shall send to each labor union or representative of the workers with which it has a collective bargaining Contract, or other Contract or understanding, whereby it is furnished with labor for the performance of this Contract a notice to be provided by the contracting agency, advising the said labor union or workers' representative of the Provider's commitment under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- D. The Provider shall inform the contracting Department's Equal Employment Opportunity Coordinator of any discrimination complaints brought to an external regulatory body (Maine Human Rights Commission, EEOC, Office of Civil Rights, etc.) against their agency by any

individual as well as any lawsuit regarding alleged discriminatory practice.

- E. The Provider shall comply with all aspects of the Americans with Disabilities Act (ADA) in employment and in the provision of service to include accessibility and reasonable accommodations for employees and clients.
- F. The Provider shall cause the foregoing provisions to be inserted in any subcontract for any work covered by this Contract so that such provisions shall be binding upon each Subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

9. **CONFLICT OF INTEREST.** The Provider warrants that no State employee has or will receive any direct or indirect pecuniary interest in or receive or be eligible to receive, directly or indirectly, any benefit that may arise from this Contract, for any employee who participated in any way in the solicitation, award or administration of this Contract according to [Title 5 MRS §18-A, \(2\)](#) and in harmony with [Title 17 MRS §3104](#). Any contract made in violation of these sections is void.

The Provider certifies that it presently has no interest and shall not acquire any interest which would conflict in any manner or degree with the performance of its services hereunder. The Provider further certifies that in the performance of this Contract, no person having any such known interests shall be employed.

10. **EMPLOYMENT AND PERSONNEL.** The Provider shall not engage on a full-time, part-time or other basis during the period of this Contract, any executive employee who participated in any way in the solicitation, award or administration of this Contract according to [Title 5 MRS §18-A, \(2\)](#) and in harmony with [Title 17 MRS §3104](#). Any contract made in violation of these sections is void.

11. **NON-COLLUSION.** The Provider warrants that it has not employed or contracted with any company or person, other than for assistance with the normal study and preparation of a proposal, to solicit or secure this Contract and that it has not paid, or agreed to pay, any company or person, other than a bona fide employee working solely for the Provider, any fee, commission, percentage, brokerage fee, gifts, or any other consideration, contingent upon, or resulting from the award of this Contract.

And, the Provider has not entered into a prior understanding, agreement, or connection with any corporation, firm, or person submitting a response for the same materials, supplies, equipment, or services, and this proposal is in all respects fair and without collusion or fraud. The above-mentioned entities understand and agree that collusive bidding is a violation of state and federal law and can result in fines, prison sentences, and civil damage awards.

For breach or violation of this provision, the Department shall have the right to terminate this Contract without liability or, at its discretion to otherwise recover the full amount of such fee, commission, percentage, brokerage fee, gift, or contingent fee.

12. **ACCESS TO RECORDS.** As a condition of accepting a Contract for services under this section, a Provider must agree to treat all records, other than proprietary information, relating to personal services work performed under the Contract as public records under the freedom of access laws to the same extent as if the work were performed directly by the Department or agency. For the

purposes of this subsection, "proprietary information" means information that is a trade secret or commercial or financial information, the disclosure of which would impair the competitive position of the Provider and would make available information not otherwise publicly available. Information relating to wages and benefits of the employees performing the personal services work under the Contract and information concerning employee and Contract oversight and accountability procedures and systems are not proprietary information. The Provider shall maintain all books, documents, payrolls, papers, accounting records and other evidence pertaining to this Contract and make such materials available at its offices at all reasonable times during the period of this Contract and for such subsequent period as specified under Maine Uniform Accounting and Auditing Practices for Community Agencies (MAAP) rules. The Provider shall allow inspection of pertinent documents by the Department or any authorized representative of the State of Maine or Federal Government, and shall furnish copies thereof, if requested. This subsection applies to contracts, contract extensions and contract amendments executed on or after October 1, 2009.

13. TERMINATION. The performance of work under this Contract may be terminated by the Department whenever for any reason the Contract Administrator shall determine that such termination is in the best interest of the Department. Any such termination shall be affected by the delivery to the Provider of a Notice of Termination specifying the date on which such termination becomes effective.

Either party may terminate this Contract for cause by providing a written notice of termination stating the reason for the termination a minimum of thirty (30) calendar day ahead of the effective date of the termination. As part of the thirty (30) calendar days written notice of termination, the defaulting party shall have fifteen (15) calendar days to cure the default. If the default is of such a nature that it cannot be cured within fifteen (15) calendar days, the defaulting party shall have such additional time, as the parties may agree to, to cure the default, provided the defaulting party has taken steps to cure the default within the initial fifteen (15) calendar days.

Upon termination, the Department shall pay the Provider for work performed by the Provider prior to the date of Notice of Termination.

14. GOVERNMENTAL REQUIREMENTS. The Provider warrants and represents that it will comply with all applicable governmental ordinances, laws and regulations.

15. GOVERNING LAW. This Contract shall be governed in all respects by the laws, statutes, and regulations of the United States of America and of the State of Maine. Any legal proceeding against the State regarding this Contract shall be brought in the State of Maine administrative or judicial forums. The Provider consents to personal jurisdiction in the State of Maine.

16. STATE HELD HARMLESS. The Provider shall indemnify and hold harmless the Department and its officers, agents, and employees from and against any and all third party claims, liabilities, and costs, including reasonable attorney fees, for any or all injuries to persons or property or claims for money damages, including claims for violation of intellectual property rights, arising from the negligent acts or omissions of the Provider, its employees or agents, officers or Subcontractors in the performance of work under this Agreement; provided, however, the Provider shall not be liable for claims arising out of the negligent acts or omissions of the Department, or for actions taken in reasonable reliance on written instructions of the Department.

17. NOTICE OF CLAIMS. The Provider shall give the Contract Administrator immediate notice in writing of any legal action or suit filed related in any way to this Contract or which may affect the performance of duties under this Contract, and prompt notice of any claim made against the

Provider by any Subcontractor which may result in litigation related in any way to this Contract or which may affect the performance of duties under this Contract.

18. APPROVAL. This Contract must be approved by the State Controller and the State Purchases Review Committee before it can be considered a valid, enforceable document.

19. INSURANCE REQUIREMENT. The Provider shall keep in force a liability policy issued by a company fully licensed or designated as an eligible surplus line insurer to do business in this State by the Maine Department of Professional & Financial Regulation, Bureau of Insurance, which policy includes the activity to be covered by this Contract with adequate liability coverage to protect itself and the Department from suits. Providers insured through a "risk retention group" insurer prior to July 1, 1991, may continue under that arrangement. Prior to or upon execution of this Contract, the Provider shall furnish the Department with written or photocopied verification of the existence of such liability insurance policy.

- A. Other Provisions - Unless explicitly waived by the Department, the insurance policies shall contain, or be endorsed to contain, the following provisions:
- i. The Provider's insurance coverage shall be the primary and contributory. Any insurance or self-insurance maintained by the Department for its officers, agents, and employees shall be in excess of the Provider's insurance and shall not contribute to it.
 - ii. The Provider's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.
 - iii. The Provider shall furnish the Department with certificates of insurance, and with those endorsements, if any, affecting coverage, required by these Insurance Requirements. The certificates and endorsements for each insurance policy are to be signed by a person authorized by the insurer to bind coverage on its behalf. All certificates and endorsements are to be received and approved by the Department before this Contract commences. The Department reserves the right to require complete, certified copies of all required insurance policies at any time.
 - iv. All policies should contain a revised cancellation clause allowing thirty (30) days notice to the Department in the event of cancellation for any reason, including nonpayment.
 - v. The Department will not grant the Provider, or any sub-contractor of the Provider, "Additional Insured" status and the Department will not grant any Provider a "Waiver of Subrogation".

20. NON-APPROPRIATION. Notwithstanding any other provision of this Contract, if the State does not receive sufficient funds to fund this Contract and other obligations of the State, if funds are de-appropriated, or if the State does not receive legal authority to expend funds from the Maine State Legislature or Maine courts, then the State is not obligated to make payment under this Contract.

21. SEVERABILITY. The invalidity or unenforceability of any particular provision, or part thereof, of this Contract shall not affect the remainder of said provision or any other provisions, and this Contract shall be construed in all respects as if such invalid or unenforceable provision or part thereof had been omitted.
