

STATE OF MAINE
Department of Administrative and Financial Services
CONTRACT FOR SPECIAL SERVICES - AMENDMENT

BY AGREEMENT of both parties this 11th day of, March 2019, the Contract for Special Services between the State of Maine, Department of Administrative and Financial Services, hereinafter called "Department," and Access Interpreting, Inc., located at 200 Lawyers Road #1993 Vienna, VA 22180, hereinafter called "Provider", is hereby amended as follows:

1. The termination date is adjusted from 03/31/2019 to 09/30/2019
(old service to date) (new service to date)

Reason: Because the State of Maine requires additional time in order to prepare an RFP, issue and award a new contract for VRI Services, a six-month extension under the terms of the last awarded RFP is required to ensure continued availability of these critical services to all State of Maine agencies.

2. The dollar amount of the contract is \$ 0.00.

Reason: This amendment is to extend the current Master Agreement for all State of Maine agencies and is based upon usage.

2. The Scope of Services in Rider A is hereby changed to include the following statement of services for this extension:

The Provider will no longer provide on-demand video remote interpreting (VRI) services under this six-month extension. As of April 1, 2019, Provider will continue to provide pre-scheduled services only.

All other terms and conditions of the original contract dated April 3rd, 2015 remain in full force and effect.

IN WITNESS WHEREOF, the Department and the Provider, by their representatives duly authorized, have executed this amendment in one original copy.
