1. **ADA:** Americans with Disabilities Act
2. **Agency:** A State of Maine Government Agency sponsoring a specific procurement action or conference/meeting room rental.
3. **Delivery Order (DO):** An order created to procure specific assignments from an established Master Agreement. DO’s are required for services in the amount of $5,000 or more.
4. **Department:** Department of Administrative and Financial Services, Bureau of Business Management, Division of Procurement Services
5. **Facility:** A venue used to hold functions, such as events, conferences, meetings or other purpose gatherings of many individuals.
6. **GSA:** General Services Administration
7. **Master Agreement (MA):** A contractual agreement which will govern the relationship between the State of Maine and the Provider
8. **PQVL:** Pre-Qualified Vendor List
9. **Provider:** A conference/meeting room Provider that is a party to a State of Maine Master Agreement.
10. **State:** State of Maine

This Master Agreement (MA) contract is awarded as part of a Pre-Qualified Vendor List (PQVL) for the provision of rental space for conference and meeting room facilities for the use of all state agencies for a variety of events on an as needed/as available basis. Providers will be required to coordinate, oversee and manage, on a daily basis, all aspects of the event whether small or large for room set up, conference hosting, event flow, staging, etc.

The State allows municipal governments, school districts and public higher education institutions to use any contract resulting from this RFP, with the mutual consent of the Provider.

BP54 (Rev 8/2017)
A. Mini-Bid Process and Awards

An Agency seeking a facility will notify all pre-qualified vendors who meet the required geographical area (region) and event size when specific services are needed by initiating the mini-bid process. Providers will be given a description of the particular services needed and asked to respond within a specific timeframe. Bids submitted on behalf of the mini bid process will be evaluated on the basis of the Providers’ proposed cost or both proposed cost and detailed offering. The Agency, as applicable, will then select one Provider based on the bids submitted and criteria being evaluated during the “mini-bid” process. The rates (Rider D) associated with this MA will form the foundation of each Provider’s future “mini-bid” responses – that is, a Provider may not propose rates in the “mini-bid” that are above what was proposed in response to this RFP process (but a Provider may propose a rate lower, if it so chooses).

An Agency would create a Delivery Order (DO) against the MA to secure the facility with the awarded bidder.

Maine Armory Rental Program – When seeking facilities, Agencies are required to include the Maine State Armories, if applicable, when considering possible event locations. For more information on the programs go to http://www.maine.gov/purchases/policies/armoryrental.html.

MAs are to be used as a tool for Agencies, however each Agency reserves the right to select Providers from the PQVL without using this mini-bid process for emergencies, for projects less than $5,000 and if only one Provider is able to meet the geographical and event size requirements. At the discretion of the State, large projects and/or projects with unique needs not covered within this RFP may be released and awarded through project specific RFPs. Providers for those projects will not be selected from the PQVL, rather through a separate RFP or other procurement process based on their specific needs/timelines.

The appeal procedures were available upon the original determination of the PQVL. The appeal procedures will not be available during subsequent mini-bid process involving only the pre-qualified or pre-approved list participants if cost if the sole determining factor.

B. Space Rentals and Signage

For large multiday conferences the Agency may need access to the facility the day prior to deliver items and/or set up for the following morning. Prior to usage, each room should be set up by the facilities staff. Rooms may require furniture, including tables, table skirts, chairs, stools, podium, lectern, dais, staging, pipes and drapes, etc. Rooms should also have a sufficient HVAC system for such needs of each room.

1. Large Conference/Main Meeting Room Rentals: Main conference room area that will adequately fit requested number of attendees and agreed-upon accommodations. Agencies may request a large meeting room to accommodate all attendees for needs such as: general session, dining, exhibitor area, etc.

2. Breakout/Meeting Rooms: Smaller or secondary conference room(s) used for smaller group meetings to be used concurrent with general assembly room. In most cases, it is preferred that these rooms be in the same building as the large banquet/meeting room (when utilized). If the break out room is part of the main meeting room, it should have a floor to ceiling partition to provide a sound barrier in order for sessions to run concurrently.
3. **Dining Rooms:** Agencies may request a separate meal-break serving area on-site so that neither set-up nor clean-up will interfere with scheduled presentations.

4. **Registration/Lobby area:** Agencies may require a Registration/Lobby area outside of any meeting room.

5. **Secure Storage Area:** Agencies may require a separate secured storage area (mostly for multiday conferences) for equipment, materials, etc.

6. **Restrooms:** Adequate (multi-stall) restroom facilities for participants.

7. **Exhibit Areas:** Some Agencies hold events that require exhibit areas for inside and/or outside the facility.

8. **Inside/Outside Signage:** Agencies may request signage both inside and outside.

**D. Technology, Rentals and Support**

If applicable, provide onsite technical expertise for both the Agency and attendees for network and internet connectivity and audio visual support.

1. **Wireless Internet Access:** Facility should include free high speed wireless Internet access sufficient for the number of anticipated participants simultaneously using the Internet, if needed.

   Some events may require websites/programs on a network infrastructure requiring regular access to the public worldwide web as well as to standard email servers. If there are, standard facility filtering or blocking features the Provider may be asked to turn it off for the conference, if needed.

2. **Rentals:** Equipment may or may not be provided by the using Agency. The Agency may require the need to rent equipment from the Provider. Such items could include but not limited to:

2. **Smoke-Free:** Facility must comply with all applicable laws regarding smoke-free environments.

**F. Meals**

Meals will be determined by each Agency and be specific to each event and may or may not be a requirement.

   [http://www.gsa.gov/portal/category/100120](http://www.gsa.gov/portal/category/100120)

J. Cancellation of Events:

Scheduled events may be cancelled by the Agency without penalty, up to 30-days prior to the scheduled event, including, but not limited to: room rentals and meals. Any penalties for cancellations after the above stated cancellation period, and the policies governing such cancellation, must be clearly stated by Provider. 14. **ACCESS TO RECORDS** As a condition of accepting a contract for services under this section, a contractor must agree to treat all records, other than proprietary information, relating to personal services work performed under the contract as public records under the freedom of access laws to the same extent as if the work were performed directly by the department or agency. For the purposes of this subsection, "proprietary information" means information that is a trade secret or commercial or financial information, the disclosure of which would impair the competitive position of the contractor and would make available information not otherwise publicly available. Information relating to wages and benefits of the employees performing the personal services work under the contract and information concerning employee and contract oversight and accountability procedures and systems are not proprietary information. The Provider shall maintain all books,
documents, payrolls, papers, accounting records and other evidence pertaining to this Agreement and make such materials available at its offices at all reasonable times during the period of this Agreement and for such subsequent period as specified under Maine Uniform Accounting and Auditing Practices for Community Agencies (MAAP) rules. This subsection applies to contracts, contract extensions and contract amendments executed on or after October 1, 2009.

15. **TERMINATION** The performance of work under the Agreement may be terminated by the Department in whole, or in part, whenever for any reason the Agreement Administrator shall determine that such termination is in the best interest of the Department. Any such termination shall be effected by delivery to the Provider of a Notice of Termination specifying the extent to which performance of the work under the Agreement is terminated and the date on which such termination becomes effective. The Agreement shall be equitably adjusted to compensate for such termination, and modified accordingly.

16. **GOVERNMENTAL REQUIREMENTS** The Provider warrants and represents that it will comply with all governmental ordinances, laws and regulations.

17. **GOVERNING LAW** This Agreement shall be governed in all respects by the laws, statutes, and regulations of the United States of America and of the State of Maine. Any legal proceeding against the State regarding this Agreement shall be brought in State of Maine administrative or judicial forums. The Provider consents to personal jurisdiction in the State of Maine.

18. **STATE HELD HARMLESS** The Provider agrees to indemnify, defend and save harmless the State, its officers, agents and employees from any and all claims, costs, expenses, injuries, liabilities, losses and damages of every kind and description (hereinafter in this paragraph referred to as “claims”) resulting from or arising out of the performance of this Agreement by the Provider, its employees, agents, or subcontractors. Claims to which this indemnification applies include, but without limitation, the following: (i) claims suffered or incurred by any contractor, subcontractor, materialman, laborer and any other person, firm, corporation or other legal entity (hereinafter in this paragraph referred to as “person”) providing work, services, materials, equipment or supplies in connection with the performance of this Agreement; (ii) claims arising out of a violation or infringement of any proprietary right, copyright, trademark, right of privacy or other right arising out of publication, translation, development, reproduction, delivery, use, or disposition of any data, information or other matter furnished or used in connection with this Agreement; (iii) Claims arising out of a libelous or other unlawful matter used or developed in connection with this Agreement; (iv) claims suffered or incurred by any person who may be otherwise injured or damaged in the performance of this Agreement; and (v) all legal costs and other expenses of defense against any asserted claims to which this indemnification applies. This indemnification does not extend to a claim that results solely and directly from (i) the Department’s negligence or unlawful act, or (ii) action by the Provider taken in reasonable reliance upon an instruction or direction given by an authorized person acting on behalf of the Department in accordance with this Agreement.

19. **NOTICE OF CLAIMS** The Provider shall give the Contract Administrator immediate notice in writing of any legal action or suit filed related in any way to the Agreement or which may affect the performance of duties under the Agreement, and prompt notice of any claim made against the Provider by any subcontractor which may result in litigation related in any way to the Agreement or which may affect the performance of duties under the Agreement.

20. **APPROVAL** This Agreement must have the approval of the State Controller and the State Purchases Review Committee before it can be considered a valid, enforceable document.

BP54 (Rev 8/2017)
21. **LIABILITY INSURANCE** The Provider shall keep in force a liability policy issued by a company fully licensed or designated as an eligible surplus line insurer to do business in this State by the Maine Department of Professional & Financial Regulation, Bureau of Insurance, which policy includes the activity to be covered by this Agreement with adequate liability coverage to protect itself and the Department from suits. Providers insured through a “risk retention group” insurer prior to July 1, 1991 may continue under that arrangement. Prior to or upon execution of this Agreement, the Provider shall furnish the Department with written or photocopied verification of the existence of such liability insurance policy.

22. **NON-APPROPRIATION** Notwithstanding any other provision of this Agreement, if the State does not receive sufficient funds to fund this Agreement and other obligations of the State, if funds are de-appropriated, or if the State does not receive legal authority to expend funds from the Maine State Legislature or Maine courts, then the State is not obligated to make payment under this Agreement.

23. **SEVERABILITY** The invalidity or unenforceability of any particular provision or part thereof of this Agreement shall not affect the remainder of said provision or any other provisions, and this Agreement shall be construed in all respects as if such invalid or unenforceable provision or part thereof had been omitted.

24. **INTEGRATION** All terms of this Agreement are to be interpreted in such a way as to be consistent at all times with the terms of Rider B (except for expressed exceptions to Rider B included in Rider C), followed in precedence by Rider A, and any remaining Riders in alphabetical order.

25. **FORCE MAJEURE** The Department may, at its discretion, excuse the performance of an obligation by a party under this Agreement in the event that performance of that obligation by that party is prevented by an act of God, act of war, riot, fire, explosion, flood or other catastrophe, sabotage, severe shortage of fuel, power or raw materials, change in law, court order, national defense requirement, or strike or labor dispute, provided that any such event and the delay caused thereby is beyond the control of, and could not reasonably be avoided by, that party. The Department may, at its discretion, extend the time period for performance of the obligation excused under this section by the period of the excused delay together with a reasonable period to reinstate compliance with the terms of this Agreement.

26. **SET-OFF RIGHTS** The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State’s option to withhold for the purposes of set-off any monies due to the Provider under this Agreement up to any amounts due and owing to the State with regard to this Agreement, any other Agreement, any other Agreement with any State department or agency, including any Agreement for a term commencing prior to the term of this Agreement, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Controller.

27. **ENTIRE AGREEMENT** This document contains the entire Agreement of the parties, and neither party shall be bound by any statement or representation not contained herein. No waiver shall be deemed to have been made by any of the parties unless expressed in writing and signed by the waiving party. The parties expressly agree that they shall not assert in any action relating to the Agreement that any implied waiver occurred between the parties which is not expressed in writing. The failure of any party to insist in any one or more instances upon strict performance of any of the terms or provisions of the Agreement, or to exercise an option or election under the Agreement, shall not be construed as a waiver or relinquishment for the future of such terms, provisions, option or election, but the same shall continue in full force and effect, and no waiver by any party of any one or more of its rights or remedies under the Agreement shall be deemed to be a waiver of any prior or subsequent rights or remedy under the Agreement or at law.
