## FIRST AMENDMENT

To

## NASPO Value Point PARTICIPATING ADDENDUM (State MA #AR18P 23030900000000000106)

This First Amendment ("Amendment") to the NASPO Participating Addendum to Master Agreement #[AR3113](#), MA 18P 23030900000000000106 ("the Master Agreement" or "Contract") is entered into between the State of Maine (hereinafter "the State") and Presidio Networked Solutions, LLC (the "Contractor" or "Provider"), collectively referred to as "the Parties" and is dated as of April 1, 2025.

WHEREAS the Contractor and the State entered into the Participating Addendum to the Master Agreement as of March 9, 2023 (the "Participating Addendum") hereby incorporated by reference (<https://www.naspovaluepoint.org/portfolio/cloud-solutions-2016-2026/presidio-networked-solutions-llc/>), and

WHEREAS, the Parties now desire to amend the terms and conditions in the manner stated herein to include clarifying provisions regarding the Contractor's use of resellers/fulfillment partners and incorporate new statutorily mandated cybersecurity and prohibited technologies language.

NOW THEREFORE, in consideration of the mutual covenants and agreements set forth herein, the Parties hereby agree to amend the Participating Addendum to the Master Agreement as follows:

In addition to the Terms and Conditions in the State of Maine's Participating Addendum to the Master Agreement, the Parties agree to add the following new language to the State's Participating Addendum:

1. **FULFILLMENT PARTNERS/AUTHORIZED RESELLERS.** The following provision is added to the Participating Addendum as a **new section 8**:
  8. **Fulfillment Partners/Authorized Resellers.** Authorized Resellers ("Resellers" or "Fulfillment Partners") are available for this Participating Addendum if and to the extent approved by the State Chief Procurement Officer (each an "Authorized Reseller"). Any Authorized Resellers will be listed on the Contractor's NASPO ValuePoint Webpage listed above.
    - i. Contractor shall be responsible for successful performance and compliance with all requirements in accordance with the terms and conditions set forth by this Participating Addendum. The Master Agreement and Participating Addendum will apply to all Products and Services provided hereunder.
    - a. Consistent with the Master Agreement, Attachment A Section 46, Contractor agrees that the State will not be required to affirmatively accept additional terms and conditions to

## STATE OF MAINE | IT CONTRACT AMENDMENT

use or access any Product or Service purchased under this Participating Addendum, whether by electronic means (e.g., click-through) or otherwise. No click-through, or other end user terms and conditions or agreements required by the Contractor or its fulfillment partners ("Additional Terms") provided with any Products and Services hereunder shall be binding on the State as a Participating Entity, even if use of such Products and Services requires an affirmative "acceptance" of those Additional Terms before access is permitted.

- ii. Contractor may use State-approved Authorized Resellers under this Participating Addendum for sales and service functions as defined herein.
  - a. Orders may be placed with the Contractor or Authorized Resellers.
  - b. All purchase documents shall reference the Participating Addendum Number and Contractor Name.
  - c. Contractor will be the sole point of contact with regard to Participating Addendum contractual matters, reporting, and administrative fee requirements.
  - d. All applicable State policies, guidelines, and requirements shall apply to Authorized Resellers.
- iii. Contractor is responsible for ensuring that each of the third parties whose Products and/or Services are available for purchase under this Participating Addendum understand and agree that the terms and conditions applicable to their Products and/or Services are as set forth in the Master Agreement, as amended, and are subordinate to the terms of this Participating Addendum and the NASPO ValuePoint Master Agreement Terms and Conditions and associated service model Exhibits.
- iv. Contractor shall remain primarily responsible to the State for all Products and Services provided to the State under the Master Agreement and Participating Addendum including but not limited to: (I) performance; (II) compliance with all of the terms and conditions of the Agreement and (III) compliance with the requirements of all applicable laws. Furthermore, Contractor's use of one or more subcontractors, fulfillment partners, or Software as a Service (SaaS) providers ("third parties") does not create privity of contract between any of the third parties and the State. A fulfillment partner has no authority to amend the Master Agreement or to bind Contractor or the State to any additional terms and conditions.
- v. Each of the Contractor and the State reserve the right to remove an authorized reseller or fulfillment partner at its discretion for cause, not meeting established vendor criteria under the Agreement, or where the addition, or continued use, of the entity would violate any State or federal law or regulation.
- vi. Notwithstanding any contrary language anywhere, in no event shall the terms of this Agreement or any document furnished by Contractor, fulfillment partner, reseller, or any third party in connection with performance under this Agreement obligate the State to (except to the extent as required by law): (1) defend or indemnify the Contractor or any third party, reseller or fulfillment partner; (2) otherwise be liable for the expenses or reimbursement, including attorneys' fees, collection costs or other costs of the Contractor or any third party or fulfillment partner; (3) constitute an implied or deemed waiver of the immunities, defenses, rights or actions arising out of State's sovereign status; (4) require the State to maintain the confidentiality of the Contractor or any third party, or fulfillment partner, without regard to the laws of the State of Maine; (5) establish new or different payment obligations of the State than are established under the Agreement; (6) reduce or diminish the obligations regarding the security, confidentiality, and integrity of the State's data as are established under the Agreement; (7) establish rights in the use of, or access to, the State's data for any reason other than performance of the product or service; or (8) establish rights of ownership in the State's data.
- vii. The Contractor is required at all times to comply with all applicable federal and state laws

**STATE OF MAINE | IT CONTRACT AMENDMENT**

and regulations pertaining to information security and privacy.

- viii. Governing Law, Jurisdiction and Venue. This Agreement will be governed by the laws of the State of Maine. Any action or proceeding brought by either the State or the Contractor in connection with this Agreement shall be subject to the jurisdiction of the courts of the State of Maine, and the State Courts in Kennebec County shall be the proper venue for all matters.

**2. ADDITIONAL TERMS AND CONDITIONS.** The following provision is added to the Participating Addendum as a **new section 9:**

**9. Additional Terms and Conditions.**

- a. Confidential Information. Notwithstanding anything in this Agreement to the contrary, Contractor acknowledges and agrees that this Agreement and any and all information obtained by the State from the Party in connection with this Agreement are subject to the Maine Freedom of Access Act, 1 MRSA §400 et seq. (FOAA) and other applicable laws.
- b. Cybersecurity and Prohibited Technologies. Through the execution of this contract, the Contractor certifies that the aforementioned organization, its principals and any subcontractors named in this Contract:
  - i. is not a foreign adversary business entity, <https://www.maine.gov/oit/prohibitedtechnologies> Title 5 M.R.S. §2021 (3); and
  - ii. is not on the list of prohibited companies or does not obtain or purchase any information or communications technology or services included on the list of prohibited information and communications technology and services <https://www.maine.gov/oit/prohibitedtechnologies>, Title 5 M.R.S. §2030-B.

Contracts entered into by a state agency in violation of Title 5 M.R.S. §2030-B are void. A person who executes this contract in violation of this section commits a civil violation for which a fine may be adjudged in an amount that is twice the amount of this contract or \$250,000, whichever is greater, (Title 5 M.R.S., §2030-A).

3. NO CHANGE OTHER THAN AMENDMENT. Except as amended herein, the Contract is unaffected and remains in full force.
4. INTEGRATED AGREEMENT; MODIFICATION. This Amendment and the Participating Addendum are the complete agreement between the parties and supersedes all prior oral and written agreements, representations, warranties and commitments of the parties regarding subject matter herein. In the event of a conflict between the terms of this Amendment and any other terms in the Participating Addendum or Contract, this Amendment will prevail with regard to the subject matter herein. This Amendment may not be modified except in writing signed by the Parties.
5. AUTHORITY. Each party to this Amendment, and each individual signing on behalf of each party, hereby represents and warrants to the other that it has full power and authority to enter into this Amendment and that its execution, delivery, and performance of this Amendment has been fully authorized and approved, and that no further approvals or consents are required to bind such party.

**10. STATE EMPLOYEES NOT TO BENEFIT** No individual employed by the State at the time this Agreement is executed, or any time thereafter, shall be admitted to any share or part of this Agreement, or to any benefit that might arise there from, directly or indirectly, that would constitute a violation of 5 MRSA § 18 or 17 MRSA § 3104. No other individual employed by the State at the time this Agreement is executed, or any time thereafter, shall be admitted to any share or part of this Agreement, or to any benefit that might arise there from, directly or indirectly, due to his employment by, or financial interest in, the Provider, or any affiliate of the Provider, without the written consent of the State Purchases Review Committee. The Provider shall cause the foregoing provisions to be inserted in any subcontract for any work covered by this Agreement so that such provisions shall be binding upon each Subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

**11. NO SOLICITATION** The Provider certifies that it has not employed or contracted with any company or person, other than for assistance with the normal study and preparation of a proposal, to solicit or secure this Agreement, and that it has not paid, or agreed to pay, any company or person, other than a *bona fide* employee working solely for the Provider, any fee, commission, percentage, brokerage fee, gifts, or any other consideration, contingent upon, or resulting from, the award of this Agreement. For breach or violation of this provision, the Department shall have the right to terminate this Agreement without liability or, at its discretion, to otherwise recover the full amount of such fee, commission, percentage, brokerage fee, gift, or contingent fee.

**12. ACCOUNTING, RECORDS, AND AUDIT**

1. The Provider shall maintain all books, documents, payrolls, papers, accounting records, and other evidence pertaining to this Agreement, including interim reports and working papers, and make such materials available at its offices at all reasonable times during the period of this Agreement, and for a period of five (5) years following termination or expiration of the Agreement. If any litigation, claim or audit is started before the expiration of the 5-year period, the records must be retained until all litigation, claims or audit findings involving the agreement have been resolved.
2. Unless the Department specifies in writing a shorter period of time, the Provider agrees to preserve and make available all documents and records pertaining to this Agreement for a period of five (5) years from the date of termination of this Agreement.
3. Records involving matters in litigation shall be kept for one year following the termination of litigation, including all appeals.

4. Authorized Federal and State representatives shall have access to, and the right to examine, all pertinent documents and records during the five-year post-Agreement period. During the five-year post-Agreement period, delivery of, and access to, all pertinent documents and records will be at no cost to the Department.

5. The Provider shall be liable for any State or Federal audit exceptions, if applicable, that arise out of any action, inaction, or negligence by the Provider. In the event of an audit exception for which the Provider is liable, the Provider shall have thirty (30) days to remedy that exception. If the Provider fails to remedy that exception within this time period, the Provider shall immediately return to the Department all payments made under this Agreement which have been disallowed in the audit exception.

6. Authorized State and Federal representatives shall at all reasonable times have the right to enter the premises, or such other places, where duties under this Agreement are being performed, to inspect, monitor, or otherwise evaluate, the work being performed. All inspections and evaluations shall be performed in such a manner that will not compromise the work unreasonably.

7. **ACCESS TO PUBLIC RECORDS** As a condition of accepting a contract for services under this section, a contractor must agree to treat all records, other than proprietary information, relating to personal services work performed under the contract as public records under the freedom of access laws to the same extent as if the work were performed directly by the department or agency. For the purposes of this subsection, "proprietary information" means information that is a trade secret or commercial or financial information, the disclosure of which would impair the competitive position of the contractor and would make available information not otherwise publicly available. Information relating to wages and benefits of the employees performing the personal services work under the contract and information concerning employee and contract oversight and accountability procedures and systems are not proprietary information. The Provider shall maintain all books, documents, payrolls, papers, accounting records and other evidence pertaining to this Agreement and make such materials available at its offices at all reasonable times during the period of this Agreement and for such subsequent period as specified under Maine Uniform Accounting and Auditing Practices for Community Agencies (MAAP) rules. The Provider shall allow inspection of pertinent documents by the Department or any authorized representative of the State of Maine or Federal Government, and shall furnish copies thereof, if requested. This subsection applies to contracts, contract extensions and contract amendments executed on or after October 1, 2009.

**13. TERMINATION** The performance of work under this Agreement may be terminated by the Department in whole or in part, whenever, for any reason the Agreement Administrator

shall determine that such termination is in the best interests of the Department. Any such termination shall be effected by the delivery to the Provider of a Notice of Termination specifying the extent to which the performance of work under this Agreement is terminated, and the date on which such termination becomes effective. The Agreement shall be equitably adjusted to compensate for such termination and modified accordingly.

Upon receipt of the Notice of Termination, the Provider shall:

1. Stop work under this Agreement on the date and to the extent specified in the Notice of Termination;
2. Take such action as may be necessary, or as the Agreement Administrator may direct, for the protection and preservation of the property, information, and data related to this Agreement, which is in the possession of the Provider, and in which the Department has, or may acquire, an interest;
3. Terminate all orders to the extent that they relate to the performance of the work terminated by the Notice of Termination;
4. Assign to the Department in the manner, and to the extent directed by the Agreement Administrator, all of the rights, titles, and interests of the Provider under the orders so terminated, in which case the Department shall have the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders;
5. With the approval of the Agreement Administrator, settle all outstanding liabilities and claims, arising out of such termination of orders, the cost of which would be reimbursable in whole or in part, in accordance with the provisions of this Agreement;
6. The certificates and endorsements for each insurance policy are to be signed by a person authorized by the insurer to bind coverage on its behalf. **24. FORCE MAJEURE** Either party may be excused from the performance of an obligation under this Agreement in the event that performance of that obligation by a party is prevented by an act of God, act of war, riot, fire, explosion, flood, or other catastrophe, sabotage, severe shortage of fuel, power or raw materials, change in law, court order, national defense requirement, strike or labor dispute, provided that any such event, and the delay caused thereby, is beyond the control of, and could not reasonably be avoided by that party. Upon the occurrence of an event of force majeure, the time period for performance of the obligation excused under this section shall be extended by the period of the excused delay, together with a reasonable period, to reinstate compliance with the terms of this Agreement.

**25. SET-OFF RIGHTS** The State shall have all of its common law, equitable, and statutory rights of set-off. **26. INTERPRETATION OF THE AGREEMENT**

1. **Reliance on Policy Determinations** The Department shall determine all program policy. The Provider may, from time to time, request the Department to make policy determinations, or to issue operating guidelines required for the proper performance of this Agreement, and the Agreement Administrator shall respond in writing in a timely manner. The Provider shall be entitled to rely upon, and act in accordance with, such written policy determinations and operating guidelines, unless subsequently amended, modified, or changed in writing by the Department, and shall incur no liability in doing so unless the Provider acts negligently, maliciously, fraudulently, or in bad faith. Nothing contained in this Agreement, or in any agreement, determination, operating guideline, or other communication from the Department shall relieve the Provider of its obligation to keep itself informed of applicable State and Federal laws, regulations, policies, procedure, and guidelines, to be in complete compliance and conformity therewith.

2. **Titles Not Controlling** Titles of sections and paragraphs used in this Agreement are for the purpose of facilitating ease of reference only and shall not be construed to imply a contractual construction of the language.

27. **PERIOD OF WORK** Work under this Agreement shall begin no sooner than the date on which this Agreement has been fully executed by the parties and approved by the Controller and the State Purchases Review Committee. Unless terminated earlier, this Agreement shall expire on the date set out on the first page of this Agreement, or at the completion and acceptance of all specified tasks, and delivery of all contracted products and services as defined in this Agreement, including performance of any warranty and/or maintenance agreements, whichever is the later date.

28. **NOTICES** All notices under this Agreement shall be deemed duly given: 1) upon delivery, if delivered by hand against receipt, or 2) five (5) business days following posting, if sent by registered or certified mail, return receipt requested. Either party may change its address for notification purposes by giving written notice of the change and setting forth the new address and an effective date.

29. **ADVERTISING AND PUBLICATIONS** The Provider shall not publish any statement, news release, or advertisement pertaining to this Agreement without the prior written approval of the Agreement Administrator. Should this Agreement be funded, in whole or in part, by Federal funds, then in compliance with the Steven's Amendment, it will be clearly stated when issuing statements, press releases, requests for proposals, bid solicitations, and other documents: (1) the percentage of the total cost that was financed with Federal moneys; and (2) the dollar amount of Federal funds.

30. **CONFLICT OF INTEREST** The Provider certifies that it presently has no interest and shall not acquire any interest which would conflict in any manner or degree with the performance of its services hereunder. The Provider further certifies that in the performance of this Agreement, no person having any such known interests shall be employed.

31. **LOBBYING**

1. **Public Funds** No Federal or State-appropriated funds shall be expended by the Provider for influencing, or attempting to influence, an officer or employee of any

agency, a member of Congress or State Legislature, an officer or employee of Congress or State Legislature, or an employee of a member of Congress or State Legislature, in connection with any of the following covered actions: the awarding of any agreement; the making of any grant; the entering into of any cooperative agreement; or the extension, continuation, renewal, amendment, or modification of any agreement, grant, or cooperative agreement. Signing this Agreement fulfills the requirement that Providers receiving over \$100,000 in Federal or State funds file with the Department on this provision.

2. **Federal Certification** Section 1352 of Title 31 of the US Code requires that funds appropriated to a Federal agency be subject to a requirement that any Federal Provider or grantee (such as the Department) certifies that no Federal funds will be used to lobby or influence a Federal officer or member of Congress.

The certification the Department has been required to sign provides that the language of this certification shall be included in the award documents for all sub-awards at all tiers (including sub-agreements, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall verify and disclose accordingly. The certification also requires the completion of Federal lobbying reports and the imposition of a civil penalty of \$10,000 to \$100,000 for failing to make a required report. As a sub-recipient, the Provider understands and agrees to the Federal requirements for certification and disclosure.

3. **Other Funds** If any non-Federal or State funds have been or will be paid to any person in connection with any of the covered actions in this section, the Provider shall complete and submit a "Disclosure of Lobbying Activities" form to the Department.

## **32. PROVIDER PERSONNEL**

1. The parties recognize that the primary value of the Provider to the Department derives directly from its Key Personnel assigned in the performance of this Agreement. Key Personnel are deemed to be those individuals whose résumés were offered by the Provider in the Proposal. Therefore, the parties agree that said Key Personnel shall be assigned in accordance with the time frames in the most recent mutually agreed upon project schedule and work plan, and that no re-deployment or replacement of any Key Personnel may be made without the prior written consent of the Agreement Administrator. Replacement of such personnel, if approved, shall be with personnel of equal or greater abilities and qualifications.

2. The Department shall retain the right to reject any of the Provider's employees whose abilities and qualifications, in the Department's judgment, are not appropriate for

the performance of this Agreement. In considering the Provider's employees' abilities and qualifications, the Department shall act reasonably and in good faith.

3. During the course of this Agreement, the Department reserves the right to require the Provider to reassign or otherwise remove any of its employees found unacceptable by the Department. In considering the Provider's employees' acceptability, the Department shall act reasonably and in good faith.

4. In signing this Agreement, the Provider certifies to the best of its knowledge and belief that it, and all persons associated with this Agreement, including any Subcontractors, including persons or corporations who have critical influence on or control over this Agreement, are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any Federal or State department or agency.

5. During the course of this Agreement, the Department reserves the right to require a background check on any of the Provider's personnel (employees and Subcontractors) that are in any way involved in the performance of this Agreement.

**33. STATE PROPERTY** The Provider shall be responsible for the proper custody and care of any Department or State-owned property furnished for the Provider's use in connection with the performance of this Agreement, and the Provider will reimburse the Department for its loss or damage, normal wear and tear excepted.

**34. PATENT, COPYRIGHT, AND OTHER PROPRIETARY RIGHTS**

2. The Provider may not publish or copyright any data without the prior approval of the Department. The State and the Federal Government, if applicable, shall have the right to publish, duplicate, use, and disclose all such data in any manner, and for any purpose whatsoever, and may authorize others to do so.

**35. PRODUCT WARRANTY** The Provider expressly warrants its products and services for one full year from their final written acceptance by the Department. The responsibility of the

Provider with respect to this warranty is limited to correcting deficiencies in any deliverable using all the diligence and dispatch at its command, at no additional cost to the Department. The Provider is also responsible for correcting and/or updating any documentation affected by any operational support performed under this warranty provision.

**36. OPPORTUNITY TO CURE** The Agreement Administrator may notify the Provider in writing about the Department's concerns regarding the quality or timeliness of a deliverable. Within five (5) business days of receipt of such a notice, the Provider shall submit a corrective action plan, which may include the commitment of additional Provider resources, to remedy the deliverable to the satisfaction of the Agreement Administrator, without affecting other project schedules. The Department's exercise of its rights under this provision shall not be construed as a waiver of the Department's right to terminate this Agreement pursuant to Section 13, Termination.

**37. COVER** If, in the reasonable judgment of the Agreement Administrator, a breach or default by the Provider is not so substantial as to require termination, and reasonable efforts to induce the Provider to cure the breach or default are unavailing, and the breach or default is capable of being cured by the Department or by another contractor without unduly interfering with the continued performance by the Provider, then the Department may provide or procure the services necessary to cure the breach or default, in which event the Department shall withhold from future payments to the Provider the reasonable costs of such services.

**38. ACCESSIBILITY** All IT products must be accessible to persons with disabilities and must comply with State Accessibility Policy and Standards and the Americans with Disabilities Act. All IT applications must comply with the Digital Accessibility Policy (<https://www.maine.gov/oit/policies/DigitalAccessibilityPolicy.pdf>). 2. In conformance with applicable Federal and State statutes, regulations, and ethical standards, the Provider and the Department shall take all necessary steps to protect confidential information regarding all persons served by the Department, including the proper care, custody, use, and preservation of records, papers, files, communications, and any such items that may reveal confidential information about persons served by the Department, or whose information is utilized in order to accomplish the purposes of this Agreement.

3. In the event of a breach of this confidentiality provision, the Provider shall notify the Agreement Administrator immediately.

4. The Provider shall comply with the Maine Public Law, Title 10, Chapter 210-B (Notice of Risk to Personal Data Act).

**41. OWNERSHIP**

1. All data (including Geographical Information Systems data), notebooks, plans, working papers and other works produced, and equipment and products purchased in the performance of this Agreement are the property of the Department, or the joint property of the Department and the Federal Government, if Federal funds are involved. The State (and the Federal Government, if Federal funds are involved) shall have unlimited rights to use, disclose, duplicate, or publish for any purpose whatsoever all information and data developed, derived, documented, or furnished by the Provider under this Agreement, or equipment and products purchased pursuant to this Agreement. The Provider shall furnish such information and data, upon the request of the Department, in accordance with applicable Federal and State laws.

and operational/administrative documentation, and all associated administrative, maintenance, and test software that are relevant to this Agreement.

2. A fundamental obligation of the Provider is the delivery to the Department of all ownership rights to the complete system, free of any claim or retention of rights thereto by the Provider. The Provider acknowledges that this system shall henceforth remain the sole and exclusive property of the Department, and the Provider shall not use or describe such software and materials without the written permission of the Department. This obligation to transfer all ownership rights to the Department on the part of the Provider is not subject to any limitation in any respect.

**43. OFF-THE-SHELF (OTS) SOFTWARE** For all OTS software purchased by the Provider as part of this Agreement, the following terms and conditions shall apply.

1. This Agreement grants to the Department a non-exclusive and non-transferable license to use the OTS software and related documentation for its business purposes. The Department agrees that the Provider may, at its own expense, periodically inspect the computer site in order to audit the OTS software supplied by the Provider, installed at the Department's site, at mutually agreed upon times. In the event that a separate license agreement accompanies the OTS software, then the terms of that separate license agreement supersede the above license granted for that OTS software.

2. This Agreement does not transfer to the Department the title to any intellectual property contained in any OTS software. The Department will not decompile or disassemble any OTS software provided under this Agreement or modify any OTS software that bears the copyright notice of a third party. The Department will make and maintain no more than one archival copy (for back-up purpose) of each OTS software, and each copy will contain all legends and notices, and will be subject to the same conditions and restrictions as the original.

3. If the CPU on which any OTS software is licensed becomes temporarily unavailable, use of such OTS software may be temporarily transferred to an alternative CPU until the original CPU becomes available.

**44. SOFTWARE AS SERVICE** When the software is fully owned, hosted, and operated by the Provider, and the Department uses said software remotely over the Internet, the following terms and conditions shall apply:

1. The Provider, as depositor, shall enter into an escrow contract, upon terms acceptable to the Department, with a recognized software Escrow Agent. The escrow contract must provide for the Department to be an additional party/beneficiary. The

2. The escrow contract shall provide for the retention, administration, and controlled access of the Deposit Materials, and the release of the Deposit Materials to the Department, upon receipt of a joint written instruction from the Department and the Provider, or upon receipt of written notice from the Department that:

- a. The Provider has failed to carry out its obligations set forth in this Agreement; or
