The State reserves the right to add other similar items or commodities to the Master Agreement (MA) if it's in the State's best interest but does not obligate the State to purchase similar noncontracted items or commodities from the selected bidder.

III. AMENDMENTS TO SPECIFICATIONS

This is a Pre-Qualified Vendor List (PQVL) for Used Refurbished Modular Furniture and Moving Services. Used Refurbished Modular Service to Include Design, Reconfiguration, Refurbishing, Installation, Movement/Relocation and Removal. Moving Services include moving materials from one location to another, room to room or building to building, or statewide from one location to another. Detailed specifications and requirements are attached.

IV. SPECIFICATIONS

The Provider shall perform all services and maintain all standards and requirements for services provided under this Contract in accordance with requirements below:

Vendors must supply the equipment/tools to perform the services.

The vendor will perform all work in a safe manner, adhering to OSHA guidelines

(<https://www.osha.gov/>), with proper technique and equipment in order to preserve the safety of

State employees, contractors, and visitors. At no time will the vendor perform any act that is unsafe. The vendor will also temporarily close off areas to pedestrian traffic to prevent potential injury to bystanders when large or heavy equipment is being moved or used.

An appointed State representative will be the contact point for the vendor, of which requests, direction, coordination and authorization will be communicated. Significant, complex, and large moves will require a pre-move site walkthrough by the vendor to assess necessary labor, tools, vehicle and equipment need. A vendor must be available to perform work orders within the time frame specified in the mini bid. This could be as soon as five (5) business days after the award of a mini bid. In urgent situations, shorter time frames may be specified in the mini bid. This service may require a vendor to be available for work orders outside of standard hours (standard hours are 7:30 AM to 5:00 PM) including holidays and weekends. Agencies have the option of including a Liquidated Damages clause in their mini bids if applicable. If an Agency has included this clause, Liquidated Damages may be deducted from the sum due to the Vendor for each calendar day that the Work remains uncompleted after the completion date specified in the Contract or an approved amended completion date. Frequency of use, size and scope of service may vary and is not guaranteed. State Policy requires vendors to accept the State of Maine Procurement Card as a form of payment. The pricing offered to the State of Maine shall be the final cost regardless of payment method. No surcharge or other compensation will be allowed.

MINI-BID PROCESS AND AWARDS

Once an agency requires a service, the Agency will notify all pre-qualified vendors initiating the mini-bid process. Each vendor on the PQVL will be given a description of the particular services needed and asked to respond within a specific timeframe. Bids submitted on behalf of the mini bid process will be evaluated on the basis of the Vendors' proposed cost or both proposed cost and detailed offerings, which may include information on how that vendor proposes to provide particular services. Vendors should respond to each mini bid with their proposal or provide a "no bid" as a response. The Agency, as applicable, will then select one vendor based on the cost proposal submitted and criteria being evaluated during the "mini bid" process.

State of Maine agencies will place individual orders directly with the successful vendor. Delivery Orders (DO) will be issued against the MA with the awarded bidder concluding the mini-bid process if the service is more than \$5000.00.

Please note, the costs on the vendor's rate sheet will form the foundation of each Vendor's future mini-bid responses – that is, a Vendor may not propose rates in the mini-bid that are above what is listed on their rate sheet (but a Vendor may propose a rate lower, if it so chooses).

The Agency reserves the right to select vendors from the pre-qualification list without using the mini-bid process for jobs that will be less than \$2500 and for emergencies (if the need arises). At the discretion of the State, large projects and/or projects with unique needs not covered within this RFP may be released and awarded through project specific RFPs. Providers for those projects will not be selected from the PQVL, but rather through the separate RFP or other procurement process based on the Department's specific needs/timelines.
