The contract is entered into by the Department and the Provider pursuant to RFP #201905086. The RFP and the Provider's proposal are incorporated into this contract by reference. The following sections are adapted from the RFP and the Provider's proposal and are provided below for clarification and ease of reference.

The State of Maine is committed to providing purchasing opportunities for political subdivisions, municipalities, and school districts. We encourage our contractors to make their services available to these entities through separate contracts but under the same terms offered to the State. Provider may be asked to provide services to these entities.

To the extent the Provider is considered a Business Associate under HIPAA, the Provider shall execute and comply with the terms of the State branches and/or agencies Business Associate Agreement, which shall be incorporated into this contract. Failure to comply with the terms of the Business Associate Agreement shall constitute a basis for a breach of contract.

To the extent that the services carried out under this contract involve the use, disclosure, access to, acquisition or maintenance of information that actually or reasonably could identify an individual or consumer receiving benefits or services from or through State branch and/or agencies ("Protected Information"), the Provider must:

7. Travel Reimbursement: Travel Reimbursement will be allowed at the same hourly rate as the "type of interpreting" category being requested. For example, an interpreter providing "Legal" interpreter services during core hours on a weekday would bill the "Legal" rate for both the services performed and actual travel time. Provider shall assign qualified interpreters within the closest proximity to the location. In the event that a local interpreter cannot be scheduled, the Provider shall work with the requestors to identify strategies to meet the need in the most cost-effective manner. Although Providers may have different policies regarding cancellations, the State intends to specify the cancellation policy that will be in effect under this contract. When a cancellation is necessary, the State will provide the Provider(s) with varying degrees of notice, depending on the number of service hours scheduled. Table 1 below shows the variation between assignment length and notice given.

<table>
<thead>
<tr>
<th>Assignment Length</th>
<th>Cancellation Notice Given</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than 2 business days</td>
<td>100% of scheduled service hours</td>
</tr>
<tr>
<td>3 or more hours in a single day</td>
<td>100% of scheduled service hours</td>
</tr>
<tr>
<td>2 to 3 days</td>
<td>100% of scheduled service hours</td>
</tr>
<tr>
<td>4 or more days</td>
<td>100% of scheduled service hours</td>
</tr>
</tbody>
</table>

The following considerations are taken into account for cancellations:

a. Billing for cancelled assignments shall be at the same hourly rate as the service category for the scheduled time period.

b. Billing shall apply for any actual travel time that the interpreter(s) incurred.
c. Full or partial cancellation of assignments greater than 10 business days will not be reimbursed for more than 10 cancelled business days. (For example, if an interpreter has a six-month assignment, and it is cancelled with less than 10 days' notice, per the chart above, then the State will only be liable to pay for up to 10 days of the six-month assignment, not the full six-months.)

d. Special conditions for cancellations may be negotiated, if necessary, at the time of each request by a State agency or any participating entity; otherwise the chart shown above shall apply. Such special conditions must be captured in writing and agreed upon by the State and the Provider. (For example, the Administrative Office of the Courts may negotiate with a Provider at the time of a service request to deviate from the cancellation policy above. Both the Provider and the State must agree in writing, and the State is not bound to procure services through the Provider if a satisfactory arrangement cannot be made.)

10. Work Orders: State branches and/or agencies will place individual orders for interpreting services through the issuance of a Delivery Order (DO).

a. Provide a work order document to be used for assignment request.

For the purposes of this subsection, "proprietary information" means information that is a trade secret or commercial or financial information, the disclosure of which would impair the competitive position of the Provider and would make available information not otherwise publicly available. Information relating to wages and benefits of the employees performing the personal services work under the Contract and information concerning employee and Contract oversight and accountability procedures and systems are not proprietary information. The Provider shall maintain all books, documents, payrolls, papers, accounting records and other evidence pertaining to this Contract and make such materials available at its offices at all reasonable times during the period of this Contract and for such subsequent period as specified under Maine Uniform Accounting and Auditing Practices for Community Agencies (MAAP) rules. The Provider shall allow inspection of pertinent documents by the Department or any authorized representative of the State of Maine or Federal Government, and shall furnish copies thereof, if requested. This subsection applies to contracts, contract extensions and contract amendments executed on or after October 1, 2009.

12. TERMINATION. (a) The performance of work under the Contract may be terminated by the Department whenever for any reason the Contract Administrator shall determine that such termination is in the best interest of the Department. Any such termination shall be effected by delivery to the Provider of a Notice of Termination specifying the date on which such termination becomes effective. Upon such termination, the Department shall pay the Provider for work performed by the Provider prior to the date of Notice of Termination. (b) Either party may terminate this Agreement for cause by providing a written notice of termination stating the reason for the termination. Upon receipt of the notice of termination, the defaulting party shall have fifteen (15) business days to cure the default. If the default is of such a nature that it cannot be cured within fifteen (15) business days, the defaulting party shall have such additional time, as the parties may agree to, to cure the default, provided the defaulting party has taken steps to cure the default with the initial 15 days.

13. GOVERNMENTAL REQUIREMENTS. The Provider warrants and represents that it will comply with all governmental ordinances, laws and regulations.

14. GOVERNING LAW. This Contract shall be governed in all respects by the laws, statutes, and regulations of the United States of America and of the State of Maine. Any legal proceeding against the State regarding this Contract shall be brought in State of Maine administrative or judicial forums. The Provider consents to personal jurisdiction in the State of Maine.

15. STATE HELD HARMLESS. The Provider shall indemnify and hold harmless the Department and its officers, agents, and employees from and against any and all third party claims, liabilities, and costs, including reasonable attorney fees, for any or all injuries to persons or property or claims for money damages, including claims for violation of intellectual property rights, arising from the negligent acts or omissions of the Provider, its employees or agents, officers or Subcontractors in the performance of work under this Agreement; provided, however, the Provider shall not be liable for claims arising out of the negligent acts or omissions of the Department, or for actions taken in reasonable reliance on written instructions of the Department.
16. **NOTICE OF CLAIMS.** The Provider shall give the Contract Administrator immediate notice in writing of any legal action or suit filed that is related in any way to the Contract or which may affect the performance of duties under the Contract, and prompt notice of any claim made against the Provider by any subcontractor which may result in litigation related in any way to the Contract or which may affect the performance of duties under the Contract.

17. **APPROVAL.** This Contract must have the approval of the State Controller and the State Purchases Review Committee before it can be considered a valid, enforceable document.

18. **INSURANCE.** The Provider shall keep in force a liability policy issued by a company fully licensed or designated as an eligible surplus line insurer to do business in this State by the Maine Department of Professional & Financial Regulation, Bureau of Insurance, which policy includes the activity to be covered by this Contract with adequate liability coverage to protect itself and the Department from suits. Providers insured through a “risk retention group” insurer prior to July 1, 1991, may continue under that arrangement. Prior to or upon execution of this Contract, the Provider shall furnish the Department with written or photocopied verification of the existence of such liability insurance policy.

19. **NON-APPROPRIATION.** Notwithstanding any other provision of this Contract, if the State does not receive sufficient funds to fund this Contract and other obligations of the State, if funds are de-appropriated, or if the State does not receive legal authority to expend funds from the Maine State Legislature or Maine courts, then the State is not obligated to make payment under this Contract.

20. **SEVERABILITY.** The invalidity or unenforceability of any particular provision, or part thereof, of this Contract shall not affect the remainder of said provision or any other provisions, and this Contract shall be construed in all respects as if such invalid or unenforceable provision or part thereof had been omitted.

21. **ORDER OF PRECEDENCE.** In the event of a conflict between the documents comprising this Agreement, the Order of Precedence shall be:

   Rider C Exceptions  
   Rider B Terms and Conditions  
   Rider A Scope of Work  
   Funding Rider  
   Rider D Included at Department’s Discretion

22. **FORCE MAJEURE.** The performance of an obligation by either party shall be excused in the event that performance of that obligation is prevented by an act of God, act of war, riot, fire, explosion, flood or other catastrophe, sabotage, severe shortage of fuel, power or raw materials, change in law, court order, national defense requirement, or strike or labor dispute, provided that any such event and the delay caused thereby is beyond the control of, and could not reasonably be avoided by, that party.

23. **SET-OFF RIGHTS.** The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State’s option to withhold for the

State department or agency, including any Contract for a term commencing prior to the term of this
Contract, plus any amounts due and owing to the State for any other reason including, without
limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State
shall exercise its set-off rights in accordance with normal State practices including, in cases of set-
off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or
the State Controller.

24. ENTIRE CONTRACT. This document contains the entire Contract of the parties, and neither party
shall be bound by any statement or representation not contained herein. No waiver shall be
deemed to have been made by any of the parties unless expressed in writing and signed by the
waiving party. The parties expressly agree that they shall not assert in any action relating to the
Contract that any implied waiver occurred between the parties, which is not expressed in writing.
The failure of any party to do insist in any one or more instances upon strict performance of any of
the terms or provisions of the Contract, or to exercise an option or election under the Contract,
shall not be construed as a waiver or relinquishment for the future of such terms, provisions, option
or election, but the same shall continue in full force and effect, and no waiver by any party of any
one or more of its rights or remedies under the Contract shall be deemed to be a waiver of any
prior or subsequent rights or remedy under the Contract or at law.

25. AMENDMENT: No changes, modifications, or amendments in the terms and conditions of this
Contract shall be effective unless reduced to writing, numbered and signed by the duly authorized
representative of the State and Provider.

Contract, the Provider certifies to the best of Provider's knowledge and belief that the

Business Associate Agreement
(Included at Department's Discretion)

State of Maine
Department of Administrative and Financial Services
Business Associate Agreement

This Business Associate Agreement ("Agreement") is made this 6th day of September 2019 (the "Effective Date") by and between the State of Maine, Department of Administrative and Financial Services (the Covered Entity, hereinafter, the "Department") and Mary Jane Grant Sign Language Interpreting, LLC ("Business Associate"), together (the "Parties"); and

WHEREAS, Business Associate may use, disclose, create, receive, maintain or transmit protected health information in a variety of form or formats, including verbal, paper and electronic (together, "PHI") on behalf of the Department in connection with Business Associate's performance of its obligations under the following agreement between the parties: MA 18P 1908270000000000000033 (the "Underlying Agreement"); and

WHEREAS, the Parties intend to ensure the confidentiality, privacy and security of Department's PHI as required by law, including the Health Insurance Portability and Accountability Act of 1996, P.L. 104-191 (HIPAA), and its implementing regulations at 45 CFR Parts 160 and 164 (the Privacy, Security, Breach Notification and Enforcement Rules or "HIPAA Rules") as updated by the Health Information Technology for Economic and Clinical Care Act (HITECH) enacted under Title XII of the American Recovery and Reinvestment Act of 2009, and its implementing Regulations (together the "HIPAA and HITECH Rules"); and

WHEREAS, the Parties agree that certain federal and state laws, rules, regulations and accreditation standards also impose confidentiality restrictions that apply to this business relationship, and may include, but are not limited to: 42 CFR 2 et. seq.; 5 M.R.S.A. §19203-D; 22 M.R.S.A. §§42, 261, 815, 824, 833, 1494, 1596, 1711-C, 1828, 3173, 3292, 4008, 5328, 7250, 7703, 8754; 10 M.R.S.A 1346 et. seq; 34-B M.R.S.A. §1207; 14-193 C.M.R, Ch. 1, Part A, § IX; and applicable accreditation standards of The Joint Commission or other appropriate accreditation body regarding confidentiality.

NOW THEREFORE, the parties agree as follows:

Specific Definitions for the Purpose of this Agreement:

Breach means the unauthorized acquisition, access, use or disclosure of PHI that compromises the security or privacy of such PHI. A security or privacy incident that involves PHI is presumed to be a breach requiring notification unless the Department proves, through specific risk analysis steps, that there is a low probability that the PHI was compromised or a) the incident does not involved unsecured PHI, or b) the incident falls into another exception or safe harbor as set forth in the HIPAA and HITECH Rules.

Business Associate is a person or entity that creates, receives, maintains or transmits PHI on behalf of, or provides services to, a covered entity, as set forth in the HIPAA Rules and other than in the capacity of a workforce member.
STATE OF MAINE | SERVICE CONTRACT

Covered Entity is a 1) health plan, (2) health care clearinghouse, or 3) health care provider who electronically transmits any health information in connection with transactions for which HHS has adopted standards. Generally, these electronic transactions concern billing and payment for services or insurance coverage.

Designated Record Set means the billing and medical records about individuals maintained by or for a covered provider: the enrollment, claims adjudication, payment, case or medical management record systems maintained by or for a health plan; or that are used in whole, or in part, by the covered entity to make decisions about individuals.

Individual means the person who is the subject of the PHI.

Protected Health Information means information that is created or received by a health care provider, health plan, public health authority, employer, life insurer, school or university, or health care clearinghouse that relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual and is transmitted or maintained in electronic or any other form or medium.

Security Incident means the attempted or successful unauthorized access, use, disclosure, modification or destruction of information [or PHI] or interference with system operation in an information system.

Subcontractor means a natural person, trust or estate, partnership, corporation, professional association or corporation, or other entity, public or private, to whom a business associate has delegated a function, activity, or service, other than in the capacity of a member of the workforce of such business associate.

Unsecured Protected Health Information means PHI that is not rendered unusable, unreadable, or indecipherable to unauthorized individuals through the use of a technology or methodology specified by the U.S. Department of Health and Human Services ("HHS") in its guidance.

General Definitions. The following terms used in this Agreement shall have the same meaning as those terms in the HIPAA and HITECH Rules: Data Aggregation, Disclosure, Health Care Operations, Minimum Necessary, Notice of Privacy Practices, Required by Law, and Use.

1. Permitted Uses and Disclosures

   a. Business Associate agrees to use or disclose the PHI authorized by this Agreement only to perform the services of the Underlying Agreement between the Parties, or as required by law.

   b. Business Associate may use or disclose PHI for the proper management and administration of Business Associate or to carry out the legal responsibilities of the Business Associate, only where a) the use or disclosure does not violate any law governing the protection of the PHI, including, but not limited to, prohibitions under 42 CFR Part 2 (Part 2 Regulations), and b) the disclosures are required by law or c) Business Associate agrees only to disclose the minimum necessary PHI to accomplish the intended purpose and i) obtains reasonable assurances from the person or entity to whom the information is disclosed that the PHI will remain confidential and used or further disclosed only as required by law or for the purposes for which it was disclosed to the person or entity, and ii) the person or entity agree to immediately notify Business Associate of any
STATE OF MAINE | SERVICE CONTRACT

instances of which it is aware that the confidentiality, privacy or security of the information has been actually or potentially breached.

2. Obligations and Activities of the Business Associate

a. Compliance. Business Associate agrees to comply with the HIPAA and HITECH Rules, and other applicable state or federal law, to ensure the protection of the Department's PHI, and only use and disclose PHI consistent with the Department's minimum necessary policy and the legal requirements of this Agreement. Business Associate may not use or disclose PHI in a manner that would violate the HIPAA or HITECH Rules or other state or federal law if performed by the Department.

b. Safeguards. In complying with the HIPAA and HITECH Rules, Business Associate agrees to use appropriate administrative, technical and physical safeguards, and comply with any required security or privacy obligations, to protect the confidentiality, integrity and availability of the Department's PHI.

c. Reporting. Business Associate agrees to report to the Department any inappropriate use or disclosure of the Department's PHI of which it becomes aware, i.e. any use or disclosure not permitted in this Agreement or in violation of any legal requirement, including actual and suspected breaches of unsecured PHI, and any actual or potential security incident of which it becomes aware. Such report will be made to the Department's Director of Healthcare Privacy or her designee within twenty-four (24) hours of when the Business Associate becomes aware of an actual or suspected incident or breach. In the event that a breach is determined to have occurred under the authority of the Business Associate, Business Associate will cooperate promptly with the Department to provide all specific information required by the Department for mandatory notification purposes.

d. Subcontractors and Agents. In accordance with 45 CFR 164.502(e)(1)(ii) and 164.308(b)(2), if applicable, Business Associate shall ensure that any third parties, agents or subcontractors (together, "Subcontractors") that use, disclose, create, acquire, receive, maintain, or transmit PHI on behalf of Business Associate agree to the same restrictions, conditions, and requirements that apply to Business Associate with respect to such PHI. Business Associate shall obtain and maintain a written agreement with each Subcontractor that has or will have access, through Business Associate, to the Department's PHI, ensuring that the Subcontractor agrees to be bound to the same restrictions, terms and conductions that apply to Business Associate under this Agreement.

e. Mitigation. The Business Associate shall exhaust, at its sole expense, all reasonable efforts to mitigate any harmful effect known to the Business Associate arising from the use or disclosure of PHI by Business Associate in violation of the terms of this Agreement.

f. Accounting of Disclosures. To the extent required by the terms of this Agreement, Business Associate will maintain and make available the information and/or documentation required to provide an accounting of disclosures as necessary to satisfy the Department's obligations under 45 CFR 164.528.

g. Access. In the event that Business Associate creates or maintains PHI in a designated record set, Business Associate will use commercially reasonable efforts to make PHI available in the format requested, and as necessary to satisfy the Department's obligation under 45 C.F.R. 164.524, within 30 days from the time of request. Business Associate will inform the Department of the individual's request within 5 (five) business days of the request.
STATE OF MAINE | SERVICE CONTRACT

h. Amendment. In the event that Business Associate creates or maintains PHI in a designated record set, Business Associate agrees to make any amendment(s) to the PHI as directed or agreed to by the Department, or take other measures as necessary to satisfy the Department's obligations under 45 CFR 164.526, in such time period and in such manner as the Department may direct.

i. Restrictions. Upon notification from the Department, Business Associate shall adhere to any restrictions on the use or disclosure of PHI agreed to by or required of the Department pursuant to 45 CFR 164.522.

j. Audit by the Department or the HHS Secretary. The Business Associate will make its internal practices, books and records relating to the use or disclosure of PHI received from the Department or used, acquired, maintained, created or received by the Business Associate on behalf of the Department, available to either the Department or the HHS Secretary for the purposes of determining the compliance of either the Department or the Business Associate with the Medicaid Act, and the HIPAA and HITECH Rules, or any other federal, state or accreditation requirement. 45 C.F.R. 164.504.

k. Other Obligations: To the extent that Business Associate is to carry out one or more of the Department's obligations under the HIPAA and HITECH Rules or other federal or state law, Business Associate agrees to comply with the legal requirements that apply to the Department in performing that obligation;

3. Obligations of the Department

a. The Department shall notify Business Associate of a) any limitation in any applicable Notice of Privacy Practices that would affect the use or disclosure of PHI by the Business Associate and b) any changes, revocations, restrictions or permissions by an individual to the use and disclosure of his/her PHI to which the Department has agreed, to the extent such restrictions or limitations may affect the performance of Business Associate's services on behalf of the Department.

b. The Department shall not request that Business Associate use or disclose PHI in any format, and in any manner, that would be prohibited if performed by the Department.

4. Hold Harmless

Business Associate agrees to indemnify and hold harmless the Department, its directors, officers, agents, shareholders, and employees against any and all claims, demands, expenses, liabilities or causes of action that arise from any use or disclosure of PHI not specifically permitted by this Agreement, applicable state or federal laws, licensing, accreditation or other requirements.

5. Term of Agreement

a. Term. This Agreement shall be effective as of the Effective Date and shall terminate at the end of the term of the Underlying Agreement. To the extent that the Underlying Agreement automatically renews, this Agreement shall also automatically renew itself for the same renewal period unless the Department terminates this Agreement for cause as set forth in Section 5(c). Either party may terminate the Agreement consistent with the written notice provision regarding termination in the Underlying Agreement.

b. Auto-renewal. In the event that this Agreement is automatically renewed, the Business Associate agrees to be bound by the terms of this Agreement and laws referenced in this Agreement that are current and in effect at the time of renewal.

c. Termination for Cause. Notwithstanding the foregoing, Business Associate authorizes termination of this Agreement by the Department if the Department determines that Business Associate has violated a material term of the Agreement. The Department shall either, at its sole discretion:
STATE OF MAINE | SERVICE CONTRACT

i. Provide the Business Associate an opportunity to cure or end the violation
within a time frame and upon such conditions as established by the
Department; and

ii. Immediately terminate this Agreement in the event the Business Associate
has either failed to cure in the time frame provided by the Department or if
cure is not possible.

d. Obligations of the Business Associate upon Termination. Upon termination of this
Agreement for any reason, Business Associate, shall

i. Return or destroy all PHI used, created, accessed, acquired, maintained, or
received by the Business Associate on behalf of the Department, and
retain no copies in any format. Business Associate shall ensure that its
Subcontractors do the same.

ii. If the Department agrees that Business Associate may destroy all PHI in its
possession, Business Associate shall certify such destruction to the
Department.

iii. If returning or destroying PHI is not feasible, Business Associate agrees to
protect the confidentiality of the PHI and retain only that PHI which is
necessary for the Business Associate to continue its proper management
and administration, or to carry out its legal responsibilities. Business
Associate shall not use or disclose the PHI for other than the purpose for
which it was retained, and return to the Department, or destroy if approved
by the Department, such PHI when no longer required. Furthermore,
Business Associate shall continue to use appropriate safeguards and
comply with the HIPAA and HITECH Rules, other applicable state and
federal law, with respect to PHI in any format for as long as Business
Associate retains the PHI.

iv. Upon appropriate direction from the Department, Business Associate shall
transmit the PHI to another business associate of the Department
consistent with all legal and regulatory safeguards delineated in this
Agreement.

6. Qualified Service Organization Agreement

To the extent that in performing its services for or on behalf of the Department, Business
Associate uses, discloses, maintains or transmits PHI that is protected by the Part 2 Regulations,
Business Associate acknowledges that it is a Qualified Service Organization for the purpose of
such federal law, acknowledges that in receiving, storing, processing or otherwise dealing with
any such patient records, it is fully bound by the Part 2 Regulations; and, if necessary, will resist
in judicial proceedings any efforts to obtain access to patient records except as permitted by the
Part 2 Regulations.

7. Survival of Business Associate Obligations

The obligations of the Business Associate under this Agreement shall survive the termination of
this Agreement indefinitely.
8. Miscellaneous

(a) Amendment. The Parties agree to take such action as is necessary to amend this Agreement from time to time as is necessary for the Department to comply with the requirements of the HIPAA and HITECH Rules, and/or other applicable laws or requirements. This Agreement may only be amended in writing, signed by authorized representatives of the Parties.

(b) Injunction. The Department and Business Associate agree that any violation of the provisions of this Addendum may cause irreparable harm to the Department. Accordingly, in addition to any other remedies available to the Department, Department shall be entitled to seek an injunction or other decree of specific performance with respect to any violation of this Agreement or explicit threat thereof, without bond or other security being required and without the necessity of demonstrating actual damages.

(c) Interpretation. Any ambiguity in this Agreement shall be resolved to ensure that the Department is in compliance with the HIPAA and HITECH Rules, or other applicable laws or privacy or security requirements.

(d) Legal References. A reference in this Agreement to a section in the HIPAA or HITECH Rules or to other federal or state law, means the section as in effect or as amended.

IN WITNESS WHEREOF, the parties have executed this Business Associate Agreement as of the Effective Date.
