### 2. CONFLICT OF TERMS/ORDER OF PRECEDENCE:

- a. A Participating Entity's Participating Addendum ("PA");
- b. Minnesota WSCA-NASPO Master Agreement (includes negotiated Terms & Conditions)
- c. The Solicitation including all Addendums; and
- d. Contract Vendor's response to the Solicitation

These documents shall be read to be consistent and complementary. Any conflict among these documents shall be resolved by giving priority to these documents in the order listed above. No other terms and conditions shall apply, including terms and conditions listed in the Contract Vendor's response to the Solicitation, or terms listed or referenced on the Contract Vendor's website, in the Contract Vendor quotation/sales order or in similar documents subsequently provided by the Contract Vendor. The solicitation language prevails unless a mutually agreed exception has been negotiated.

Each responder must follow the directions on the addendum. Addenda will be numbered consecutively in the order they are issued.

This indemnification survives the Lead State's award of a Master Agreement. In submitting a response to the RFP, the responder agrees that this indemnification survives as long as the trade secret materials are in possession of the Lead State. The Lead State will not consider the prices submitted by the responder to be trade secret materials.
- 9. DISPUTE RESOLUTION PROCEDURES. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

#### All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
