PART III: SUPPLEMENTAL INFORMATION

The Department of Economic and Community Development was awarded CARES ACT funding to administer the Maine Economic Recovery Grant Program. This program is a joint venture between Maine DECD, Maine Revenue Services and with Maine's economic development agencies who are assisting with the grant review process and payment distribution to businesses.

Additional funding totaling \$40 million has been assigned to DECD to be awarded directly to restaurants, bars and taverns, tasting rooms, lodging and /or retail establishments to alleviate the disruption of operations because of operating restrictions as a result of the pandemic.

2. Provide a brief justification for the selected vendor to supplement the response in Part II.

Maine Economic Development agencies are a network of 7 federally funded agencies who provide support services to Maine businesses statewide. Their connection to the business community provides the vehicle for DECD to facilitate the quick and effective transfer of much needed federal relief funds to thousands of Maine businesses.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

The Economic Development agencies are performing similar grant reviews for businesses under an existing HUD funded program with an administrative cost identified for approved and denied applications. Copying this existing model allowed DECD to access a network of business professionals around the State who could assist in the timely processing of grants for Maine businesses.

\$30 million was reassigned from the original program and an additional \$10 million added for a total of \$40 million to support a grant program to assist restaurants, bars and taverns, tasting rooms, lodging and /or retail establishments.

4. Describe the plan for future competition for the goods or services.

This is one-time funding.
