SUBJECT: Notice of Conditional Pre-Qualified Vendor List Award under RFP # 202407126
Removal of Petroleum and Hazardous Substances Services

Dear Adam:

This letter is in regard to the subject Request for Proposals (RFP), issued by the State of Maine Department of Environmental Protection for Removal of Petroleum and Hazardous Substances Services. The Department has evaluated the proposals received using the evaluation criteria identified in the RFP, and the Department is hereby announcing its conditional award to the following bidder:

- Boston Green Fuel Co. Inc.

The bidder listed above have met the requirements for placement on the Pre-Qualified Vendor List. Vendors added to this Pre-Qualified Vendor List (PQVL) are not guaranteed a contract with the State of Maine but are eligible to submit bids on projects issued through the PQVL Mini-Bid Process, as defined in the RFP. Any Notice of Conditional Contract Award resulting from a Mini-Bid award is subject to execution of a written contract. As a result, this Notice does NOT constitute the formation of a contract between the Department and the apparent successful vendor(s). The vendor shall not acquire any legal or equitable rights relative to contract services until a contract containing terms and conditions acceptable to the Department is executed. The Department further reserves the right to cancel this Notice of Conditional Contract Award and dissolve the Pre-Qualified Vendor List at any time.

As stated in the RFP, following announcement of this award decision, all submissions in response to the RFP are considered public records available for public inspection pursuant to

the State of Maine Freedom of Access Act (FOAA). 1 M.R.S. §§ 401 et seq.; 5 M.R.S. § 1825-B (6).

This award decision is conditioned upon final approval by the State Procurement Review Committee. A Statement of Appeal Rights has been provided with this letter; see below.

Thank you for your interest in doing business with the State of Maine.

Sincerely,

Bart Newhouse

Bart Newhouse
