1. Statutory Justification			
State of Maine statute (5 M.R.S. §1825-B(2)) allows waivers of competitive bidding only for the specific reasons listed below. Please mark the appropriate box (X) next to the justification which applies to this specific request.			
<p>A. The procurement of goods or services by the State for county commissioners pursuant to Title 30-A, section 124, involves the expenditure of \$2,500 or less, and the interests of the State would best be served;</p> <p>B. The Director of the Bureau of General Services is authorized by the Governor, or the Governor's designee, to make purchases without competitive bidding because, in the opinion of the Governor or the Governor's designee, an emergency exists that requires the immediate procurement of goods or services;</p>			
<p><i>If citing the above justification for this Waiver of Competitive Bidding request, please have the requesting Department's Commissioner or Chief Executive (as the Governor's "designee") sign and date on the right.</i></p>		<p><i>By signing below, I signify as the Governor's designee there is an emergency that necessitates this non-competitive procurement.</i></p> <p>Signature:</p>

X	<p>C. After reasonable investigation by the Director of the Bureau of General Services, it appears that any required unit or item of supply, or brand of that unit or item, is procurable by the State from only one source;</p>	
	<p>D. It appears to be in the best interest of the State to negotiate for the procurement of petroleum products;</p>	
	<p>E. The purchase is part of a cooperative project between the State and the University of Maine System, the Maine Community College System, the Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State involving:</p> <p>(1) An activity assisting a state agency and enhancing the ability of the university system, community college system, Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State to fulfill its mission of teaching, research, and public service;</p> <p>(2) A sharing of project responsibilities and, when appropriate, costs;</p> <p><i>If citing the above justification for this sole source request, please note that the specific approval of the Governor's Office is required, in accordance with Executive Order 26 FY 11/12, "An Order to Enhance Competitive Bidding". The approval must be documented on DAFS/BGS/Division of Procurement Services "GOVCOOP" form, found here: http://www.maine.gov/purchases/info/forms/govcoop.doc.</i></p>	
	<p>F. The procurement of goods or services involves expenditures of \$10,000 or less, in which case the Director of the Bureau of General Services may accept oral proposals or bids;</p>	
	<p>G. The procurement of goods or services involves expenditures of \$10,000 or less, and procurement from a single source is the most economical, effective and appropriate means of fulfilling a demonstrated need.</p>	
	<p>If a different authorization specifically allows for this non-competitive procurement, please provide that reference here:</p>	
Please note that the following four points below (#2 through 5) <u>all</u> require a response.		
2. Description of Specific Need		
<p>Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.</p>		
<p>The contract covers equipment repairs, software and firmware upgrades to our existing survey equipment, our CORS Network and software for a 2-year period. The equipment vendor (Keystone) and all equipment (Trimble) was selected in 2006 by a competitive RFP, which evaluated the equipment, the software, and the ability to repair and calibrate the equipment, and provide warranty service in a timely manner. This equipment must be sold, and serviced by an authorized Trimble provider.</p>

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

This equipment is specialized survey equipment, and software and is serviced by the authorized regional vendor or the manufacturer of the equipment. There is no one in State of Maine government authorized to maintain Trimble equipment.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The original RFP was a best value award with price being a portion of the decision. The discounts provided on the attached quote is the result of negotiations with the provider.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

We are currently sole sourced to Trimble equipment through Keystone to maintain compatibility with existing equipment and software. We anticipate that wholesale changes to GPS signals will necessitate the replacement of much of our existing survey, GPS and CORS Network equipment within about 5 years (2025) as the new system is activated. Prior to that activation a new RFP for equipment and services will be initiated.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

This Vendor (Keystone Precision Instruments) is the northeast region service provider for Trimble survey and GPS equipment and software. Trimble authorizes only one service provider per region. The warranties and service are offered by Keystone as the authorized representative for this proprietary equipment and software.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.

Signature of requesting Department's Commissioner or Chief Executive (or designee within the Commissioner's Office):

By signing below, I signify that my Department requests, and I approve of, this Waiver of Competitive Bidding.
