Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non- competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The Family Peer Support Services Statewide Network (FPSSN) provides services that are designed to empower families by enhancing their capacity to support their children in their homes and community. The goal is to utilize the system of care model to facilitate collaboration across agencies, families, and children to improve access and expand the array of coordinated, community-based, culturally- and linguistically-competent services and supports for children and youth with a Severe Emotional Disturbance (SED) or Serious Mental Illness (SMI) and their families.

This contract needs to be extended three (3) months to allow for completion of the RFP (T2019009).

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

The State does not have the resources to perform this service.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The cost is based on the current monthly cost of this service multiplied by three (3).

\$20,833.34 (Monthly cost) X 3 = \$62,500.00

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

The Department has this RFP, T2019009, on schedule for a 4/1/2020 contract start date.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

This Provider currently provides this service. Without the continuation of this service, the children who experience a Severe Emotional Disturbance (SED) or Serious Mental Illness (SMI) and their families would not have the support needed to avoid an out-of-home placement.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
