Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non- competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The purpose of this agreement is to support the work of DP18-1815 grant (<https://www.cdc.gov/rfa-dp18-1815/index.html>) and build on the learnings of the National Diabetes Prevention Program (DPP) employer and insurer focus groups, conducted in the fall of 2019. The Provider shall work with these stakeholders to develop an implementation model by which the National DPP can be promoted and expanded in the employer community. The Provider shall facilitate a strategic planning process and meetings for the Diabetes Action Alliance of Maine (DAAM) and the Healthy Maine Workgroup (HMW).

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

The Department and any other governmental entity does not have the staff, resources and expertise to provide this service.

4. Cost

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor.
