Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The Agreements for Veteran's Case Management are a direct result H.P.853-L.D. 1231: To Assess the Need for Mental Health Care Services for Veterans in Maine and to Establish a Pilot Program to Provide Case Management Services to Veterans for Mental Health Care.

The purpose of this amendment is to extend the end date, realign rates with MaineCare, and add additional funds to further serve Veterans.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

The Department does not have the staff, resources and expertise to provide this service.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The cost for these agreements were determined by the cost of two (2) years of funding based on the current rates for Community Integration. Rates are consistent with the MaineCare rate and established by rate setting.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

The Department does not intend to RFP these services, at this time. Once the funds from Per H.P 835-L.D. 1231 are exhausted, the Department will evaluate whether these services will continue. If it is determined they will continue, the Department will issue an RFP.

Please note that only one of the two points below (“Uniqueness” or “Timeframe”) requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Their primary scope of work will be to connect Veterans to the Veterans Administration and assess the individual Veteran’s needs for other available resources to address any mental health issues.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
