	A. The procurement of goods or services by the State for county commissioners pursuant to Title 30-A, section 124, involves the expenditure of \$2,500 or less, and the interests of the State would best be served;		
	B. The Director of the Bureau of General Services is authorized by the Governor, or the Governor's designee, to make purchases without competitive bidding because, in the opinion of the Governor or the Governor's designee, an emergency exists that requires the immediate procurement of goods or services;		
	By signing below, I signify as the Governor's designee there is an emergency that necessitates this non-competitive procurement.

	D. It appears to be in the best interest of the State to negotiate for the procurement of petroleum products;	
	E. The purchase is part of a cooperative project between the State and the University of Maine System, the Maine Community College System, the Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State involving: <ol style="list-style-type: none"> (1) An activity assisting a state agency and enhancing the ability of the university system, community college system, Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State to fulfill its mission of teaching, research, and public service; (2) A sharing of project responsibilities and, when appropriate, costs; <p><i>If citing the above justification for this sole source request, please note that the specific approval of the Governor's Office is required, in accordance with Executive Order 26 FY 11/12, "An Order to Enhance Competitive Bidding". The approval must be documented on DAFS/BGS/Division of Procurement Services "GOVCOOP" form, found here:</i> http://www.maine.gov/purchases/info/forms/govcoop.doc.</p>	
	F. The procurement of goods or services involves expenditures of \$10,000 or less, in which case the Director of the Bureau of General Services may accept oral proposals or bids;	
	G. The procurement of goods or services involves expenditures of \$10,000 or less, and procurement from a single source is the most economical, effective and appropriate means of fulfilling a demonstrated need.	
X	If a different authorization specifically allows for this non-competitive procurement, please provide that reference here:	RFP Extended
Please note that the following four points below (#2 through 5) <u>all</u> require a response.		
2. Description of Specific Need		
Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.		
<p>The Department of Health and Human Services is required to comply with Title 22 M.R.S.A. §4041(1-A)(A)(1)(c)(v), which is done through the provisions and management of a Family Visitation Program. 3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

Neither the Department of Health Human Services nor the State has the ability to provide these services.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The rates for this service will remain at the same rate that these two providers are already receiving. These rates are adequate for these agencies to provide this service and the pay is compensable for the level of education and experience required for these positions.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

The Department is currently in the process of an RFP, 201911201, with a new contract start date of 7/1/2020.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

Both Providers were the Awarded Bidders for these contracts in their districts, and both are currently providing this service. Both Providers have the current knowledge, trained staff and infrastructure in place to meet the needs of this agreement.
