**Please note that the following four points below (#2 through 5) all require a response.**

**2. Description of Specific Need**

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

Sufficient staffing, resources, or expertise is not available within the State of Maine's government.

**4. Cost**

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

**State of Maine  
Waiver of Competitive Bidding Request Form**

**5. Future Competition**

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

Future procurement will consist of the Department co-funding a new software resource with the Maine Emergency Management Agency. This new resource will meet and exceed all federal ESAR-VHP guidelines and ensure the Department compliance with grant funding with significant cost savings. The Department believes this new resource will be of best value and therefore does not intend to competitively procure these services.

**Please note that only one of the two points below (“Uniqueness” or “Timeframe”) requires a response. Requesting Departments are not required to respond to both points.**

**6. Uniqueness**

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

The Provider is the only IT vendor that provides state health departments with a medical volunteer registry that meets or exceeds all the federally-required ESAR-VHP Guidelines.

**7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)**

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
