PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

The Department of Economic and Community Development was awarded ARPA/MJRP funding to administer the Maine Jobs & Recovery Small Business Grant Program. This program is a joint venture between Maine DECD, Maine Revenue Services and with Maine's economic development agencies who are assisting with the grant review process and payment distribution to businesses.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

Maine economic development agencies are a network of 7 federally funded agencies who provide support services to Maine businesses statewide. Their connection to the business community provides the vehicle for DECD to facilitate the quick and effective transfer of much needed federal relief funds to hundreds of Maine businesses.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

The economic development agencies performed similar grant reviews for businesses under prior CARES Act Funding grant programs with an administrative cost identified for approved and denied applications. Copying this existing model allows DECD to access a network of business professionals around the State who could assist in the timely processing of grants for Maine businesses.

4. Describe the plan for future competition for the goods or services.

This is one-time funding for this singularly focused ARPA/MJRP grant program.

PART IV: AMERICAN RESCUE PLAN ACT (ARPA) / MAINE JOBS & RECOVERY PLAN (MJRP)

Does this request utilize ARPA/MJRP funds?

Yes – If Yes, please attach the approved Business Case(s).

No – If No, proceed to Part V.
