PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

- a. St. Mary's Regional Medical Center DBA Renaissance School operates a special purpose private school that serves children with disabilities who are not successful in public schools.
- b. IDEA, CFR, §1400 (d) (1) – (4); MRSA 20-A §7001 (2a), (6) both statutes provide that children identified as receiving special education services are entitled to a free and appropriate education. MRSA 20-A §15689-A 1. A.B.C.D. determines that the special education costs for State Agency Clients must be paid by the department in the allocation year at 100% of the actual costs.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

The Maine Department of Education does not provide direct services to children with disabilities. St. Mary's Regional Medical Center DBA Renaissance School operates a special purpose private school that specializes in supporting children with learning disabilities in their special educational program.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

Students are placed at St. Mary's Regional Medical Center DBA Renaissance School by their IEP team. The DOE does not make decisions as to where the students receive the educational services. Therefore, the DOE must make funds available to this vendor for the services provided to State Agency Clients.

The DOE has a yearly approval process and rate setting process for each special purpose private school in the State of Maine.

4. Describe the plan for future competition for the goods or services.

Students are placed at St. Mary's Regional Medical Center DBA Renaissance School by their IEP team. The DOE does not make decisions as to where the students receive their educational services. Therefore, this procurement does not lend itself to the use of a formal competitive process.
