PART III: SUPPLEMENTAL INFORMATION
Please respond to ALL of the following:
1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.
This RQS is for the manufacturing and installation for new interior security doors at the Bureau of Motor Vehicles Administrative Office loading dock. The new doors are needed due to the old ones rotting out, and also to allow for the doors to be secured with a card reader and to have a power door operator installed which will provide a safe and secure environment for employees. BGS acquired a quote for this project at the request of BMV, and Exactitude was selected as the contractor for this project.

PART III: SUPPLEMENTAL INFORMATION

2. Provide a brief justification for the selected vendor to supplement the response in Part II.

For this project, a vendor was needed that could manufacture and install interior security doors at BMV Administrative Office. Exactitude provided a quote at the request of BGS and due to their previous work for the state, the specific needs of the project, the quality of their work on previous projects, Exactitude was contracted with to take on the project.

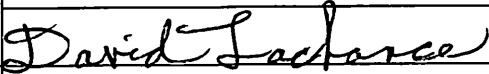

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

The rates being used are consistent with market rates from other vendors.

4. Describe the plan for future competition for the goods or services.

Will continue to consider the work needed and the most efficient and cost-effective manner to meet business needs; will consider bid process if project warrants and time allows.
