REV 10/7/2021

PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

T19-553 is a 2012 grader with 4603hrs with repairs totaling \$9,150.50 were made. The decision to move forward with these repairs was made consistent with Maine DOT Fleet Management's guidance considering the vehicle's age, miles, and anticipated replacement schedule. The estimated replacement cost for this equipment is \$200,000.00. This unit is not scheduled to be replaced. With the Fleet garages full of work and low on Techs we decided the quickest way to get the piece of equipment back in service was to sub the job out to the dealer.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

With the work not able to be done inhouse we decided to reach out to United Construction & Forestry to see if they were able to get it for us. After talking to them the quickest way to get it fixed was to have the mobile tech come to the machine and start the job.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

After looking the job over they called with a quote of \$7800.00. So, we had them go ahead with the work. They found that the turbo and the valve corer had some broken bolts. They called with a quote of \$1500.00 for parts and labor. We had them keep going with the repairs. Once the repair was done, they readjust the valves.

4. Describe the plan for future competition for the goods or services.

Keep looking to do work in house, and if not able to look at vendors that can get the trucks back on the road the quickest.

PART IV: LATE JUSTIFICATION

1. Is the vendor currently working? Yes No – If No, proceed to Part V

2. If you answered Yes to question 1, explain why the vendor is working before the contract is final approved.

Operational needs required Maine DOT to make immediate repairs to the vehicle.

PART V: AMERICAN RESCUE PLAN ACT (ARPA) / MAINE JOBS & RECOVERY PLAN (MJRP)

1. Does this request utilize ARPA/MJRP Funds?

Yes – If Yes, please attach the approved Business Case(s).

No – If No, proceed to Part VI

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
