## PART III: SUPPLEMENTAL INFORMATION

**2. Provide a brief justification for the selected vendor to supplement the response in Part II.**

Services are required sporadically and on a limited timeframe. These services and the timeframes vary with each individual hiring process, as these services are conducted in a specific sequence with other stages in the entire process. Any delay in this period could lead to not having the ability to hire potential candidates for a variety of reasons. These services may be required on more than one occasion per year or in some years not at all, so another provider may take years to understand and be willing to meet our "last minute" needs.

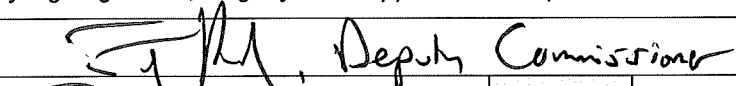

**3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.**

Standard fee of \$650.00 per evaluation.

**4. Describe the plan for future competition for the goods or services.**

We are open to using any practice that specializes in law enforcement employment for psychological evaluations, and have experience in doing so within the timeframes needed by this agency.
