**PART III: SUPPLEMENTAL INFORMATION**

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

Mental Health Psychosocial Clubhouse services are part of the array of services provided that help meet the obligations under the Bates vs. DHHS consent decree. The Settlement Agreement requires that DHHS make reasonable efforts to fund, develop, recruit and support an array of vocational services to meet class members' needs as identified in their Individual Service Plans. Additionally, vocational services were identified as a core service in the 2006 Approved Consent Decree Plan. Mental Health Psychosocial Clubhouses are an important part of the continuum of services to fulfill those obligations under the Consent Decree.

This contract is being amended to add funding to FY 22 & 23 services to cover increased utilization.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

OBH has determined that his provider is willing and qualified to provide these services because they are certified by the Clubhouse International to provide Mental Health Psychosocial Clubhouse. The Provider is one of two vendors in the state with this accreditation and the only one that would be providing services in the identified geographic area.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

Section 65 of the MaineCare Benefits Manual establishes a unit rate for Clubhouse services. These rates are mirrored in the F-1 Pro Forma.

4. Describe the plan for future competition for the goods or services.

This service is willing & qualified. Qualified providers may submit proposals for consideration. The Department does not plan to competitively procure these services in the future.
