Please respond to ALL of the questions in the following sections.

PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

On the morning of January 14th truck 01-915 was out treating the roads when he came upon a car in the ditch with police already there and the police car was sticking out in the road when the driver slowed down and picked up the wing the truck slid into the ditch causing it to roll on to its right side.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

Because of the truck condition and location, and the size of equipment that was needed to get the truck back up on its wheels so it could be towed we had limited vendors that had that size equipment and could respond right away. Also, it had RT.137 down to one lane and it was urgent that it get moved as soon as possible.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

Statewide Towing has provided quality service for the department many times in the pass. Where this was urgent that the truck gets moved to get traffic back to normal. Statewide Towing was the first call and they were able to respond ASAP.

4. Describe the plan for future competition for the goods or services.

In the region 2 Area we have multiple heavy vehicle recovery companies, we have 2 we consistently use as there are consistently more cost effective, they are Statewide Towing and A/C towing. Both companies get ample calls, and it usually depends on which one is available at the time and what the criticality of the recovery is.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
