<input type="checkbox"/>	E. Emergency	<input type="checkbox"/>	K. Client Choice
<input type="checkbox"/>	F. University Cooperative Project	<input type="checkbox"/>	L. Other Authorization

Please respond to ALL of the questions in the following sections.

### PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

The purpose of this agreement is to expand harm reduction services through Peer Outreach positions, additional harm reduction supplies, and increased trainings and technical assistance.

The intended client served by this pilot's outreach services are individuals in active opioid and poly-substance use. Specific outreach and engagement strategies will be employed to identify and connect with individuals reluctant to engage in services currently provided in the regions served. Once connections are made, if/when an individual is in a place to consider more long-term treatment and recovery services or other supportive services such as housing, food, health care, etc., referrals will be made to appropriate provider agencies.

The intended client served by the training and technical assistance component of this pilot are community members and providers who may come into contact with active drug users including law enforcement, recovery services providers, health care providers, treatment providers, and community groups.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

This Provider currently offers harm-reduction services supported by OBH funds. The intent of this Peer Outreach work is to increase connections with individuals actively engaged in opioid use to foster relationships which will lead to safer use practices, referrals to additional supports, and reduce the risk of overdose and overdose fatalities and other harmful health outcomes associated with opioid and poly-substance use disorder.

The population of focus under this pilot are active drug users not currently accessing available services who may be identified as high-risk for overdose, overdose fatalities, hepatitis C, and/or HIV transmission, and other serious negative health outcomes associated with opioid and poly-substance use disorder. Additionally, funds will be used to purchase and distribute harm reduction supplies and deliver harm reduction trainings and technical assistance to providers offering services to individuals actively using opioids and other substances.

This service was identified as a priority area in response to recent opioid overdose data, particularly increased reports of overdose fatalities, including data that suggests individuals counted in these reports aren't accessing available services for several reasons. Providing additional resources via a peer outreach position and built on a foundation of noncoercive relationship building and harm reduction philosophy offers the potential to reach members of the community not currently being served.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

Costs in this agreement were negotiated with the provider and reflect similar costs for peer support positions in other contracts held by DHHS. Harm reduction supplies and trainings are similar in cost to other contracts held with the provider.

4. Describe the plan for future competition for the goods or services.

The Department does not intend to RFP this service at this time, this is a Pilot to identify need. If the Pilot is a success, the Department will issue an RFP for a 10/1/2025 contract start date.

**PART IV: AMERICAN RESCUE PLAN ACT (ARPA) / MAINE JOBS & RECOVERY PLAN (MJRP)**

Does this request utilize ARPA/MJRP funds?

Yes – If Yes, please attach the approved Business Case(s).

No – If No, proceed to Part V

**PART V: APPROVALS**

The signatures below indicate approval of this procurement request.

Signature of requesting Department's Commissioner (or designee):			Date:	1-6-23
Typed Name:			Date:	
Signature of DAFS Procurement Official:			Date:	2/9/2023
