PART III: SUPPLEMENTAL INFORMATION	
1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.	The purpose of this agreement is to provide an Electronic Learning Management System (LMS). This is an online web-based system used to distribute and track the completion of required coursework for all of the Department's Riverview Psychiatric Center and Dorothea Dix Psychiatric Center employees.
2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.	The Provider offers unique CMS (Centers for Medicare and Medicaid Services), TJC (The Joint Commission) compliant courseware. The Provider has the experience and expertise required to meet the specific health care needs for a Learning Management System for the Department's Riverview Psychiatric Center and Dorothea Dix Psychiatric Center. The Provider also provides talent management software for the healthcare industry which means easier compliance with constantly changing industry and regulatory requirements.
3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.	The Provider has provided their system at a discounted rate well within industry standards. The Department considers these rates to be fair and reasonable when compared to similar services.
4. Describe the plan for future competition for the goods or services.	The Department intends to switch to the awarded bidder for the LMS completed by DAFS in <del>2022</del> when that system is completed.
