State of Maine Waiver of Competitive Bidding Request Form

Please note that the following four points below (#2 through 5) **all** require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The MPUC had a contract with BerryDunn to perform this work. Due to work in another CMP related case, BerryDunn notified the MPUC that they had a conflict and could no longer work on this tax issue. The MPUC contacted several accounting firms in New England. There were no firms that had this utility expertise, or firms that did had a conflict of interest having done work for CMP.

BakerTilly has the expertise and can complete the work over the next few months to meet the needs of our statutory deadline in this case with CMP.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

The MPUC does not have the extensive expertise or existing resources to perform this work. BakerTilly has significant expertise to advise the MPUC in these matters.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The hourly rates are lower than used by BerryDunn in the original contract.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

State of Maine Waiver of Competitive Bidding Request Form

Future tax related analysis will be bid, as was done with the original work.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

The regulated utility tax work is very unique and specialized and requires significant expertise. BakerTilly has performed similar work and does not have a conflict with CMP.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.

The tax work is part of a pending case before the Commission. To provide timely input into the MPUC's case the MPUC must use outside services to perform this work.

Signature of requesting Department's Commissioner or Chief Executive (or designee within the Commissioner's Office):	<i>By signing below, I signify that my Department requests, and I approve of, this Waiver of Competitive Bidding.</i>
