<p>Please note that the following four points below (#2 through 5) <u>all</u> require a response.</p>		
<p>2. Description of Specific Need</p> <p>Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.</p>

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The Department worked with industry stakeholders to develop a list of promotional activities and associated costs that are most efficiently accomplished by the MSBOA given its unique knowledge of the program and its network of connections. All paid advertising is conducted by a different marketing contractor selected through the RFP process.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

The Maine Harness Racing Commission will continue to evaluate and fine tune every aspect of its comprehensive marketing plan in order to identify specific components that would benefit from a competitive bidding process.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

The Maine Sire Stakes program is specialized and unique inasmuch as it involves a specific Maine breed of Standardbred horses bred specifically for harness racing. The MSBOA represents the Maine experts in this field, which allows the State to leverage the most applicable knowledge and expertise to promote the Sire Stakes Program.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
