State of Maine Procurement Justification Form

PART III: SUPPLEMENTAL INFORMATION

The Maine Department of Education has a need to train our educators in facilitating effective IEP meetings. The development and implementation of effective communication skills and techniques are necessary to mitigate contention, promote understand and improve successful team meetings effectively reducing the potential for due process.

2. Provide a brief justification for the selected vendor to supplement the response in Part II.

The Maine Department of Education does not provide direct training on successful techniques and strategies for facilitating an effective IEP meeting. Key2ED, Inc. has become the national authority on IEP meeting facilitation. They provide on-going support, 24-hours per day, 365 days per year via email, teleconferencing and telephone. Furthermore, the participants may request help in preparation for upcoming IEP meetings or guidance in the debriefing after a meeting.

CADRE (The Center for Appropriate Dispute Resolution in Special Education) recommends Key2ED as the national authority on IEP meeting facilitation.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

\$8,000.00 is the total for the virtual presentation workshop. Key2ED has successfully trained thousands of facilitators across the nation. In 2001, the US Department of Education recognized IEP meeting facilitation as a best practice for conducting IEP meetings. CADRE, a federally funded special education dispute resolution think tank, recognizes Key2ED as one of the leading authorities on IEP meeting facilitation. Key2ED works with several other state departments of education providing IEP facilitation training at the state level for dispute resolution. We researched other vendors and they were not as successful

4. Describe the plan for future competition for the goods or services.

Any future need for professional development in facilitating effective IEP meetings will be processed in accordance with State procurement policies and procedures.
