Please respond to ALL of the questions in the following sections.

PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

PART III: SUPPLEMENTAL INFORMATION

The department is in need of a provider to develop and operate a 6-bed residential transitional program for male youth located in Auburn, Maine. The department is in need of a low barrier, community-based service, and an alternative for diversion from youth placed in Long Creek Youth Development Center.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

Day One has been operating since 1973 and has been successfully operating residential homes since 1974. Day one has the staffing capacity, expertise, resource, and knowledge to effectively operate and manage the 6-bed residential program. Day One has over 50 years' experience working with vulnerable youth and is currently the only provider in the state that operates residential substance use treatment for youth. Day One has been voted 7 times best places to work and in 2014 received the Co-Occurring Collaborative Serving Maine Award. Day One has the ability to operate and manage this residential program immediately due to existing policy and practice structure in place.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

The cost was negotiated and agreed upon. The department deems the rate fair and reasonable, consistent with other residential programs. The contract funding will utilize state and non-state funds.

4. Describe the plan for future competition for the goods or services.

Day One has worked collaboratively with the department, accepting and prioritizing juvenile justice involved youth for approximately 10 years, and currently Day One has a staff member at Long Creek Youth Development Center (LCYDC) that provides treatment and assessments for justice involved youth. Due to this history and involvement, Day One has extensive knowledge of juvenile justice and working with justice involved youth, which enables this service to be implemented quickly. In the future, when/if other providers emerge which are capable of providing this service, experience in juvenile justice, and a presence at LCYDC the Department will then seek competitive bids.
