Please respond to ALL of the questions in the following sections.

PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

A major part of the business within the Title and Document Management services is the printing operation. The business uses large high speed HP printers, equipped with stacker and finisher. These printers are crucial for this purpose and need regular cleaning to maintain high-quality documents.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

The provider is a local vendor/company that has been providing excellent cleaning services for not only the printers but the Kofax scanners for several years.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

The cost of the monthly cleanings for four printers is reasonable. The formal bid was originally awarded to Technologies Unlimited who were purchased by Technology Solutions of Maine

4. Describe the plan for future competition for the goods or services.

The Office of Information Services is open to the competitive bid process if another vendor can satisfactorily meet the needs of Information Services with respect to supported needs, technology expertise, price and the required repair timeframe
