<b>PART III: SUPPLEMENTAL INFORMATION</b>	
1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.	A broken heat pipe necessitates an unexpected emergency repair to restore heat to the gymnasium at Bolduc Correctional Facility. Immediate remediation to the building is needed to prevent additional damage from cold weather and to restore normal facility operations. The broken pipe was removed and a new 2" pipe provided and installed.
2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.	Due to the emergency nature of this repair, a quote was solicited from K&G Industrial Services in Farmington, ME. This company was immediately available to complete the work before damage was done to the facility and was familiar with our building systems.
3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.	As noted above, due to the emergency nature of this repair, a quote was solicited from K&G Industrial Services in Farmington, ME. The rates appear fair and reasonable to the Department considering the urgent need and short timeframe involved.
4. Describe the plan for future competition for the goods or services.	This is an emergency procurement, however, DOC will continue to follow the required procurement processes for future purchases.
