	F. The procurement of goods or services involves expenditures of \$10,000 or less, in which case the Director of the Bureau of General Services may accept oral proposals or bids;
	G. The procurement of goods or services involves expenditures of \$10,000 or less, and procurement from a single source is the most economical, effective and appropriate means of fulfilling a demonstrated need.
	If a different authorization specifically allows for this non-competitive procurement, please provide that reference here:

Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non- competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The Department of Health and Human Services is required to comply with Title 22 M.R.S.A § 4041(1-A)(A)(1)(c)(v), which is done through the provision and management of a Family Visitation program. The goal of the Family Visitation Program is to provide safe, supportive visitation, while providing parental education between children who are in the Department's custody, and either parent's (and/or other identified individuals) during the Reunification and Rehabilitation process.

This Amendment is being completed due to the increased need for funding and units. There is currently an increase in the number of children in the custody of the State of Maine, Department of Health and Human Services. Due to this, there is an increase in the amount of Supportive Visitation being completed, leading to a depletion of the funding and units in the current contract.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

The Department of Health and Human Services nor does the State have the ability to provide these services.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The Department is using the same rates for this service, as are currently being used for each Provider.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

State of Maine Waiver of Competitive Bidding Request Form

The Department is currently processing an RFP (T2016039) for these services with an estimated contract start date of 1/1/20.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

Both Providers were the Awardee's for these contract's in their District's, and are currently providing this service.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.

Signature of requesting Department's Commissioner or Chief Executive (or designee within the Commissioner's Office):	<i>By signing below, I signify that my Department requests, and I approve of, this Waiver of Competitive Bidding.</i>
