<input type="checkbox"/>	A. The procurement of goods or services by the State for county commissioners pursuant to Title 30-A, section 124, involves the expenditure of \$2,500 or less, and the interests of the State would best be served;		
<input type="checkbox"/>	B. State of Maine Waiver of Competitive Bidding Request Form

Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

John E. O'Donnell & Associates Inc. developed this proprietary billing and collection system application. This system establishes mill rates and commits taxes for 12 counties within the Unorganized Territory (UT). The bureau has contracted with John E. O'Donnell & Associates Inc. for the past 17 years to maintain this billing and collection system.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

The software code is proprietary in nature. Neither the bureau nor the state's information technology group has the manpower or the expertise to maintain the system.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

Annual license and support charges are within guidelines for previous licenses and support charges issued by John E. O'Donnell & Associates to support the proprietary software.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

While there may be other property tax billing and collection systems on the market, it would be cost prohibitive and labor intensive to disconnect and replace the current system. It would require that 25,000 real estate and personal property accounts to be reviewed and reentered into the new system.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.

36MRSA, c.107, subc.-4, §1281 and §1282 requires that unpaid property tax committed in July 2018 for the UT have a lien placed on the property by March 15, 2019 and that unpaid property taxes committed in July 2017 (with a lien in place) be foreclosed on by March 20, 2019. Delay in payment of the proprietary software license and support charges will hinder the bureau's ability to property lien and foreclose on property tax accounts.

Signature of requesting Department's Commissioner or Chief Executive (or designee within the Commissioner's Office):	<i>By signing below, I signify that my Department requests, and I approve of, this Waiver of Competitive Bidding.</i>
