competitive procurement, please provide that reference here:

Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The Bureau is responsible for the management of approximately 1,300 state owned islands. Many of these islands are heavily used for public recreation. The Bureau does not have the staff to manage public use of these islands. This grant continues a long-standing agreement by MITA to manage some of the most popular recreational islands around Casco Bay.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

The task of monitoring and managing Maine's islands requires a well-established, highly motivated, largely volunteer labor force. MITA has the organization and the existing network of volunteers and contacts with boaters. No other organization could provide this service for this cost.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

It would cost significantly more to have any other agency perform the island management. MITA is already managing several islands in the same vicinity with assistance from local volunteers and they are already familiar with the state-owned islands.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

None anticipated because MITA is unique in their role as stewards of Maine's islands.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

MITA is already managing several islands in the same vicinity with assistance from local volunteers and they are already familiar with the state-owned islands. MITA has the organization and the existing network of volunteers and contacts with boaters. MITA is the only organization that does what they do.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.

The management of the Casco Bay Islands must be completed annually to maintain safety as well as ensure the protection of natural resources found on the state-owned islands.

Signature of requesting Department's Commissioner or Chief Executive (or designee within the Commissioner's Office):

By signing below, I signify that my Department requests, and I approve of, this Waiver of Competitive Bidding.
