Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The Maine Bicentennial Commission a/k/a Maine200 was established pursuant to legislative mandate to lead efforts to commemorate the state's bicentennial. Marketing efforts include the development and population of the website, www.Maine200.org, where it will also feature commemorative Maine200 clothing, promotional items and collectables which must be designed and purchased. Plans also include the development of marketing collateral and a tradeshow display.

The commission is uniquely suited to know the marketing channels it wishes to utilize and the products they wish to offer.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

Commemoration of the state's bicentennial is an ambitious effort being spearheaded by the legislatively established commission, requiring an immense amount of time and effort to raise awareness and ensure statewide participation for a robust bicentennial celebration. The Office of Tourism lacks the human resources to lead such an effort, however, MOT staff participates in commission meetings with an eye towards leveraging their efforts and assisting in any way possible.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

Given the Office of Tourism's experience in developing and executing marketing campaigns, it was concluded that the costs of their campaign components are fair and reasonable.
