If a different authorization specifically allows for this non-competitive procurement, please provide that reference here:

Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The Department of Corrections needs a Cost Allocation Plan and an Indirect Cost Rate in order to determine the department's Indirect Cost Rate for the Department on applicable federal awards, allowing the department to recoup the administrative costs associated with non-general fund accounts.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

Sufficient staffing or expertise is not available in the MDOC or the Corrections Service Center.
Other governmental resources are not available to perform the services needed more cost efficiently than Maximus Financial Services Inc.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

Maximus has been developing the Cost Allocation Plan and Indirect Cost Rate for the Department of Corrections for many years and it would be cost efficient to keep using Maximus. The Rate has not changed in several years.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

At this time we are not aware if the State is taking steps to bring more Cost Allocation companies into the State.

State of Maine Waiver of Competitive Bidding Request Form

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

Maximus has proven understanding of the Cost Allocation plan of the state of Maine. They have seasoned staff that completes the process timely. They have existing contacts with the federal government who approve the rates.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
