	<i>If citing the above justification for this Waiver of Competitive Bidding request, please have the requesting Department's Commissioner or Chief Executive (as the Governor's "designee") sign and date on the right.</i>	<i>By signing below, I signify as the Governor's designee there is an emergency that necessitates this non-competitive procurement.</i>

source is the most economical, effective and appropriate means of fulfilling a demonstrated need.

If a different authorization specifically allows for this non-competitive procurement, please provide that reference here:

Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non- competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The Maine TRS Council is extending the existing contract for three months while it negotiates the new contract to start in August.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

The Maine TRS Council is made up of appointed members who serve on a voluntary basis. The Council has no staff available to perform outreach services.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The Maine TRS Council is proposing to pay the monthly cost that has been paid to DRM pursuant to the original contract, which is \$7,750 per month.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

The Maine TRS Council may engage in the RFP process to select an outreach provider in the future. This will provide an opportunity for bidding by other vendors.

Please note that only one of the two points below (“Uniqueness” or “Timeframe”) requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

DRM is currently providing outreach services and therefore has the materials needed to serve deaf, hard-of-hearing, late-deafened and speech-impaired individuals who are using or may need to use telecommunications relay services. DRM has the equipment to demonstrate these services. The Maine TRS Council is not aware of any other vendor at the present moment that is qualified and prepared to provide outreach services.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.

To ensure that outreach services do not lapse during negotiations, DRM has agreed to continue to provide outreach services. The Maine TRS Council is seeking an extension to its original contract with DRM until it reaches final negotiation for new contract. The Council needs to vote on issue of entering into a contract with the sole bidder. It's next council meeting is scheduled for June 7, 2019.
