A.	The procurement of goods or services by the State for county commissioners pursuant to Title 30-A, section 124, involves the expenditure of \$2,500 or less, and the interests of the State would best be served;

	<i>If citing the above justification for this Waiver of Competitive Bidding request, please have the requesting Department's Commissioner or Chief Executive (as the Governor's "designee") sign and date on the right.</i>	<i>By signing below, I signify as the Governor's designee there is an emergency that necessitates this non-competitive procurement.</i>

competitive procurement, please provide that reference here:

Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

Oracle hardware and hardware maintenance are critical to the operation of the Office of Information Services and the services provided by the Department of the Secretary of State, including the Bureau of Motor Vehicles, the Bureau of Corporations, Elections, and Commissions, and the Maine State Archives. Without technical services contracts, the production of motor vehicle credentials, including licenses, ID cards, titles and registrations, as well as holding elections would be in jeopardy. The Maine business sector and Maine residents would be subject to significant harm.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

There are no other available resources. Only Oracle technical assistance/expertise/maintenance can be applied to Oracle technology hardware.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The Department of the Secretary of State, Information Services requested a quote for the Renewal of Technical Support Services for Oracle Information Technology Equipment from a vendor who has a master contract with the State of Maine. There is a \$3,014.61 or 4% saving when purchasing this renewal directly from Oracle.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

In the future, if another hardware manufacturer is available when the Oracle hardware begins to approach end of life, the Office of Information Services within the Department of the Secretary of State would go out to bid.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

State of Maine Waiver of Competitive Bidding Request Form

Oracle technical services and maintenance for Oracle equipment are unique. Maintenance and technical services cannot be provided by any other hardware producer or service provider to Oracle equipment.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.

Signature of requesting Department's Commissioner or Chief Executive (or designee within the Commissioner's Office):	<i>By signing below, I signify that my Department requests, and I approve of, this Waiver of Competitive Bidding.</i>
