competitive procurement, please provide that reference here:

Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

Offsite medical services are highly unpredictable and tend to be very expensive. At no fault of their own, the Provider has experienced large increases in both volume and cost-per-occurrence of offsite services in recent months. Utilization of agency nurses to fill vacancies has also exceeded budgeted amounts for staffing. This amendment is needed to add additional funds to the contract to cover projected expenditures for the remaining portion of FY2019.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

There are no State or other governmental entities capable of providing this type of specialized service.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The Department understands the variable nature of offsite medical services and has determined the projected cost to be fair and reasonable. A revised budget will be incorporated into the amended contract to show projected costs for the remainder of FY19.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

The Department will foster competition when the contract for this service approaches termination.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

At no fault of their own, the Provider has experienced large increases in both volume and cost-per-occurrence of offsite medical services in recent months. This amendment is needed to add additional funds to the contract to cover projected expenditures for the remaining portion of FY2019. The incumbent Provider is uniquely positioned to continue delivering comprehensive medical services during this time, including utilization of negotiated rates with (offsite) community providers throughout the state. It would be highly problematic to enlist an alternate provider for the remainder of this term.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.

Signature of requesting Department's Commissioner or Chief Executive (or designee within the Commissioner's Office):	<i>By signing below, I signify that my Department requests, and I approve of, this Waiver of Competitive Bidding.</i>
