Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The amendment to the original contract is necessary to gain the assistance of the Maine Development Foundation and the Maine Economic Growth Council in the creation and execution of a Statewide Economic Development Strategy. Led by DECD this strategy will be different in scope than the traditional Measures of Growth document provided by MDF with the assistance from the Maine Economic Growth Council.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

MDF has access to resources and statistics not available in state government.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

DECD is taking the lead on developing a Statewide Economic Development Strategy and the costs of this amendment are fair and reasonable.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

Not Applicable

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

DECD is tasked with overseeing the creation of a Statewide Economic Development Strategy with a completion date of November 2019. The early stages of this Strategy include data gathering, analyses and planning assistance which can be provided by the Maine Development Foundation with assistance from the Maine Economic Growth Council.

The Maine Economic Growth Council was created by the 116th Legislature in 1993.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
