<input type="checkbox"/>	A. The procurement of goods or services by the State for county commissioners pursuant to Title 30-A, section 124, involves the expenditure of \$2,500 or less, and the interests of the State would best be served;

State of Maine Waiver of Competitive Bidding Request Form

Please note that the following four points below (#2 through 5) **all** require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The truck came in the shop because it was running rough and setting engine codes. The tech started to look in to the problem and found the #4-cylinder push rods had too much clearance due to the camshaft being worn. Called Daigle & Houghton and they could get in right in.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

We could not do it in-house due to not having any of the specialty tools needed to do the job. Daigle and Houghton had the required special tooling and staff to complete the job in a timely and cost-effective manner. This also helped us get the truck back into service quickly.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

Daigle & Houghton could do the job right then with the least amount of down time. The other shops in the surrounding area could not get it in for a few weeks.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

If we could convince more dealers to move into this state, it would foster more and better competition for this work.

State of Maine Waiver of Competitive Bidding Request Form

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

Daigle & Houghton had all the necessary tools to get the job done in a timely manner. They also have most of the parts needed right on hand. They were also the vendor that could get the truck right in and start working on the repair.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
